Town of Amboy: Anybody knows. Any questions about

16

00:05:12.000 --> 00:05:20.520

Town of Amboy: Well then, if I could have a motion to accept the Taliban boy fire production contract.

17

00:05:22.080 --> 00:05:22.530

Town of Amboy: Or

18

00:05:23.670 --> 00:05:24.930

21

19

00:05:27.570 --> 00:05:28.170

Town of Amboy: Thank you.

20

00:05:30.030 --> 00:05:30.750

Emotion.

21

00:05:32.550 --> 00:05:33.390

Town of Amboy: On favor

22

00:05:35.700 --> 00:05:37.410

Town of Amboy: We can track them through

23

00:05:40.170 --> 00:05:41.370

Town of Amboy: I will sign it.

24

00:05:51.450 --> 00:05:52.830  
Town of Amboy: You're the president running

25  
00:05:55.650 --> 00:05:58.560  
Town of Amboy: Oracle signing copies of it.

26  
00:06:31.200 --> 00:06:31.800  
Town of Amboy: Why isn't

27  
00:06:37.230 --> 00:06:37.860  
Town of Amboy: Just me.

28  
00:06:39.390 --> 00:06:40.980  
Town of Amboy: I don't know. I

29  
00:06:42.810 --> 00:06:43.560  
So,

30  
00:06:45.060 --> 00:06:51.030  
Town of Amboy: There is no further discussion about the fire contract  
that I have emotion to the gold was

31  
00:06:52.320 --> 00:06:52.860  
Hearing

32  
00:06:56.520 --> 00:06:57.870  
On failure. Right.

33  
00:07:07.020 --> 00:07:08.370  
Town of Amboy: OK, so now

34  
00:07:09.480 --> 00:07:10.530  
Town of Amboy: All the vocabulary.

35  
00:07:16.170 --> 00:07:16.770  
Town of Amboy: You guys

36  
00:07:19.200 --> 00:07:19.740  
Town of Amboy: Yeah.

37  
00:07:34.050 --> 00:07:34.530

Town of Amboy: Awesome.

38

00:07:39.150 --> 00:07:39.660

Town of Amboy: Okay.

39

00:07:44.760 --> 00:07:45.420

Town of Amboy: Thank you.

40

00:07:47.490 --> 00:07:48.360

Town of Amboy: Very much.

41

00:08:06.840 --> 00:08:07.440

Town of Amboy: Better than

42

00:08:09.570 --> 00:08:14.310

Town of Amboy: Calling the regularly scheduled on board meeting the order

43

00:08:16.860 --> 00:08:20.430

Town of Amboy: And I didn't mention it expire, meaning

44

00:08:21.690 --> 00:08:25.050

Town of Amboy: Richard Brian for members that excuse to the illness.

45

00:08:26.130 --> 00:08:26.640

Town of Amboy: Only

46

00:08:33.840 --> 00:08:35.160

Town of Amboy: Remember first name, the

47

00:08:36.720 --> 00:08:38.340

Town of Amboy: Skills do the illness.

48

00:08:40.080 --> 00:08:42.810

Town of Amboy: Tim Kelly will not be attending

49

00:08:45.000 --> 00:08:51.960

Town of Amboy: Into other family issues but him and Beverly is here,  
remote

50

00:08:53.280 --> 00:08:53.670

Town of Amboy: And

51

00:08:54.870 --> 00:08:55.260

Town of Amboy: So,

52

00:08:56.340 --> 00:08:59.940

Town of Amboy: Things to heal better is a review zoom I soon.

53

00:09:00.660 --> 00:09:01.290

So,

54

00:09:04.800 --> 00:09:07.860

Town of Amboy: Okay, well I'm

55

00:09:10.290 --> 00:09:11.250

Going forward,

56

00:09:12.270 --> 00:09:14.070

Town of Amboy: Searches differently than normal.

57

00:09:16.770 --> 00:09:27.330

Town of Amboy: At the end of this meeting, I will be having a conversation with our representative from the Hill about how we go forward with meetings in the future.

58

00:09:30.870 --> 00:09:38.490

Town of Amboy: The numbers are exploding. I just read the numbers from yesterday for Sligo county moreover 3100

59

00:09:39.930 --> 00:09:46.470

Town of Amboy: And that has been today and 26 deaths, I believe.

60

00:09:47.730 --> 00:09:52.380

Town of Amboy: It's spreading everywhere. So we'll be going remote

61

00:09:53.670 --> 00:09:55.830

Town of Amboy: For January and

62

00:09:56.910 --> 00:09:58.050

Town of Amboy: We'll figure that out.

63

00:10:00.030 --> 00:10:00.630

Town of Amboy: Okay.

64

00:10:03.180 --> 00:10:09.630

Town of Amboy: If somebody would make a motion to accept the minutes or if you're going somewhere. And we can do that.

65

00:10:16.290 --> 00:10:16.710

Favorite

66

00:10:23.220 --> 00:10:23.640

Favorite

67

00:10:29.790 --> 00:10:40.860

Town of Amboy: So we do have the will, will start the fire department, we do have their call record the cheese, three, four given to us and

68

00:10:43.140 --> 00:10:48.660

Town of Amboy: No news is good news on fire department, but I haven't heard anything have, you know,

69

00:10:51.150 --> 00:10:51.780

Town of Amboy: I'm

70

00:10:53.490 --> 00:10:55.620

Town of Amboy: Not here I'm

71

00:10:57.210 --> 00:10:57.660

Town of Amboy: Sure.

72

00:11:06.390 --> 00:11:13.620

Town of Amboy: He paid for it. He called me tonight he he's paying off international for to watch another way to get it.

73

00:11:15.540 --> 00:11:16.140

Town of Amboy: Accepted

74

00:11:17.880 --> 00:11:23.880

Town of Amboy: And the other one for part, it's often an hour, hour probably less than our

75

00:11:24.990 --> 00:11:25.980

Town of Amboy: Next one.

76

00:11:29.250 --> 00:11:30.750

Town of Amboy: So let's stop right there.

77

00:11:32.640 --> 00:11:35.250

Town of Amboy: We have a business or 8500

78

00:11:36.300 --> 00:11:38.040

Town of Amboy: For the one excavator

79

00:11:39.780 --> 00:11:56.520

Town of Amboy: So I would like to make a motion to accept that bid, but at the same time, we give their business up in the last hour and 21 will take anything over that. So you want me that that folks.

80

00:11:57.930 --> 00:12:03.390

Town of Amboy: From ocean center national for the excavator Jesus takes us today.

81

00:12:05.010 --> 00:12:06.420

Town of Amboy: Would you second. Oh, yes.

82

00:12:09.060 --> 00:12:10.170

Town of Amboy: I can hear you.

83

00:12:11.430 --> 00:12:13.080

Town of Amboy: Just only two excavators

84

00:12:17.160 --> 00:12:19.230

Town of Amboy: Here. Good. Okay, thank you, Dan.

85

00:12:24.060 --> 00:12:25.140

Town of Amboy: When the cloud.

86

00:12:26.220 --> 00:12:33.570

Town of Amboy: The one that got knocked off what I ended up doing is they're trying to get a hold of all Henderson.

87

00:12:34.710 --> 00:12:35.850

Town of Amboy: And they never got back

88

00:12:37.200 --> 00:12:42.690

Town of Amboy: So what I did is I called Corey from Vikki and I am an author and get the parts.

89

00:12:44.160 --> 00:12:47.880

Town of Amboy: And Terry again on the wall and everything else that had I'll just

90

00:12:49.800 --> 00:12:51.360

Town of Amboy: I'll just turn those bills ended.

91

00:12:56.250 --> 00:12:58.020

Town of Amboy: They also want us to on

92

00:12:59.910 --> 00:13:05.580

Town of Amboy: Figuring out the hours keep track of the hours and everything. The insurance company says they reimburse for all that, too.

93

00:13:06.600 --> 00:13:21.720

Town of Amboy: So fast track. There was an accident, last two weeks ago where someone hit one of our snow plows and tore the fall right off from it.

94

00:13:23.100 --> 00:13:28.650

Town of Amboy: So that's what started out no one was hurt, no one was hurt and

95

00:13:30.210 --> 00:13:37.080

Town of Amboy: Insurance companies will find out that no tickets were issued so

96

00:13:38.940 --> 00:13:41.250

Town of Amboy: That's why we've gathered through this cloud.

97

00:13:43.410 --> 00:13:44.250

Town of Amboy: Because

98

00:13:47.070 --> 00:13:48.240

Town of Amboy: With a new one.

99

00:13:49.500 --> 00:13:52.140

Town of Amboy: We have an appreciation. Right.

100

00:13:53.220 --> 00:13:54.120

Town of Amboy: So,

101

00:13:55.410 --> 00:14:01.530

Town of Amboy: If we were to go there and stuff like that to probably be just getting this one fixing get the background ago

102

00:14:05.430 --> 00:14:17.940

Town of Amboy: And when I was up there, a new truck was inside it asked no money for he wasn't there thought it was the side so I'm sure this i'm open another couple, three weeks or so.

103

00:14:26.130 --> 00:14:26.820

Town of Amboy: Anything else

104

00:14:28.470 --> 00:14:30.120

Town of Amboy: Now, we went on our winter hours.

105

00:14:35.550 --> 00:14:38.640

Town of Amboy: I got car lease is adult smaller Saudi

106

00:14:40.320 --> 00:14:40.710

Arabia.

107

00:14:43.980 --> 00:14:46.200

Town of Amboy: So after next week we'll be

108

00:14:49.410 --> 00:14:50.160

Town of Amboy: At fault.

109

00:14:52.080 --> 00:14:53.280

Town of Amboy: So other than that.

110

00:14:54.330 --> 00:14:56.610

Town of Amboy: It's been a little

111

00:14:57.750 --> 00:14:58.050

Boy.

112

00:15:02.340 --> 00:15:03.870

Town of Amboy: We think, you know, it should

113

00:15:05.010 --> 00:15:06.210

Thank you very much, you

114

00:15:09.450 --> 00:15:15.810

Town of Amboy: Did you sort of thing over here for the air conditioning stuff. Oh, I forgot. Yes, thank you for that. That

115

00:15:17.280 --> 00:15:19.620

Town of Amboy: That that will work great. I think it'll protect

116

00:15:20.970 --> 00:15:24.210

Town of Amboy: And very nice to cover that though I'm

117

00:15:26.040 --> 00:15:26.610

Town of Amboy: Sure it will

118

00:15:27.900 --> 00:15:29.490

Town of Amboy: Air conditioners state.

119

00:15:35.040 --> 00:15:35.400

Town of Amboy: So,

120

00:15:37.980 --> 00:15:40.410

Town of Amboy: Ron Carson, the building code.

121

00:15:41.460 --> 00:15:43.020

Town of Amboy: That helps project is

122

00:15:45.420 --> 00:15:56.160

Town of Amboy: Yay, the issue to new building permits and sections around going, I did talk to him today. He's misplaced his phone.

123

00:15:56.940 --> 00:16:10.260

Town of Amboy: And so he's going to various places searching for it, and he'll let me know. But if anybody has any questions about building for mentoring thing redirect them to me. I have around five

124

00:16:18.390 --> 00:16:22.170

Town of Amboy: Oh yeah, does current still have his Verizon phone

125

00:16:24.150 --> 00:16:25.950

Town of Amboy: And we need to talk after the meeting.

126

00:16:26.970 --> 00:16:27.390

Okay.

127

00:16:30.090 --> 00:16:34.320

Town of Amboy: I talked to the doctor walks or anything or quiet.

128

00:16:35.430 --> 00:16:37.740

Town of Amboy: In our area. So that's a good thing.

129

00:16:39.090 --> 00:16:39.300

We

130

00:16:42.750 --> 00:16:46.020

Town of Amboy: Were waiting to be reimbursed from the justice for

131

00:16:47.190 --> 00:16:51.360

Town of Amboy: For some of the supplies that we felt we are that we bought

132

00:16:52.530 --> 00:16:55.140

Town of Amboy: They gave us a grant so we're pending.

133

00:16:56.550 --> 00:17:01.710

Town of Amboy: That paint. Everything's been forgiven. They have received all the information

134

00:17:05.520 --> 00:17:11.160

Town of Amboy: Town Clerk's report, which I would like to read. Can you do it better than a

135

00:17:16.020 --> 00:17:28.320

Town of Amboy: Total of \$493 and 40 cents was taken in \$471 and 40 cents was paid to provider \$42 was paid to New York State animal population control.

136

00:17:30.870 --> 00:17:32.100

Town of Amboy: Thank you very much.

137

00:17:33.840 --> 00:17:34.710

Town of Amboy: Can you give me check.

138

00:17:47.070 --> 00:17:51.360

Town of Amboy: Hola. You don't mind, I'll come back to, well, we'll go to bed early

139

00:17:52.830 --> 00:17:53.130

taxcollector@townofamboy-ny.us: I

140

00:17:53.550 --> 00:17:54.660

taxcollector@townofamboy-ny.us: Anyway, um,

141

00:17:56.070 --> 00:18:02.700

taxcollector@townofamboy-ny.us: Yeah. Do you want me to give you an update like to everybody, like I did before. Just a quick overview, where we're at.

142

00:18:04.710 --> 00:18:20.100

taxcollector@townofamboy-ny.us: You okay, yeah. Um, first of all, the counties been ahead of schedule. So I actually picked up the bills on Friday, I got an email on late Thursday. And so I picked them up on Friday.

143

00:18:21.090 --> 00:18:36.300

taxcollector@townofamboy-ny.us: And they have the data for the season to upload. So I'm going to call john at Williamson tomorrow. So we should get that all uploaded and put into the system and

144

00:18:36.870 --> 00:18:47.700

taxcollector@townofamboy-ny.us: I put up the posters about I contacted several other tax collectors in the area and nobody was having office hours. Everything was by appointment so

145

00:18:48.690 --> 00:18:59.820

taxcollector@townofamboy-ny.us: That's how that's going to be on the bill that way and basically what's on the posters on the door is what's on the bill. It'll tell everybody you know where they want to mail to

146

00:19:01.410 --> 00:19:05.610

taxcollector@townofamboy-ny.us: And it also gives the link for the online payment, even though there was a surcharge

147

00:19:06.780 --> 00:19:11.580

taxcollector@townofamboy-ny.us: I counted. I think there were there were over a dozen people last year that did that.

148

00:19:12.990 --> 00:19:17.640

taxcollector@townofamboy-ny.us: So you know if they want to pay the extra surcharge. You know, makes it easy.

149

00:19:19.290 --> 00:19:31.500

taxcollector@townofamboy-ny.us: That work very easily. I just got noticed from the tax glance, you know, when there was a deposit made and I got a monthly statement just like a bank statement. So that worked out. I think that worked out pretty well so

150

00:19:32.700 --> 00:19:39.900

taxcollector@townofamboy-ny.us: But again, everybody the address and I gave my personal cell phone and light of the scenario.

151

00:19:41.400 --> 00:19:46.380

taxcollector@townofamboy-ny.us: To call if they needed to set up an in person appointment.

152

00:19:47.820 --> 00:20:00.960

taxcollector@townofamboy-ny.us: We're going to keep those pretty limited into a limited area like like a talking with Kathy and figuring that maybe we'll just keep it you know in my not in my office, but just that hallway in there.

153

00:20:02.400 --> 00:20:08.370

taxcollector@townofamboy-ny.us: I figured, at least an hour between appointments, you know, so they we could do the cleaning protocol.

154

00:20:09.030 --> 00:20:25.290

taxcollector@townofamboy-ny.us: And I'll get with Mariana at some point, how to use the sprayer or any of that that stuff. So we keep everything you know squeaky clean and you don't get the bugs in here. So I think everything's running smoothly.

155

00:20:27.210 --> 00:20:32.250

taxcollector@townofamboy-ny.us: I've got all the postage Nancy had given me the check for the postage and I had actually picked that up.

156

00:20:33.300 --> 00:20:34.290

taxcollector@townofamboy-ny.us: Probably last month.

157

00:20:36.210 --> 00:20:46.590

taxcollector@townofamboy-ny.us: So that should be more than enough for mailing it out. So once I got the data uploaded for this year, then I'll start to, you know, do the

158

00:20:47.250 --> 00:20:55.530

taxcollector@townofamboy-ny.us: Stamping. And so, but I'll wait till like two days before New Year's to mail out because if you mail them out too soon. You can't

159

00:20:56.070 --> 00:21:07.620

taxcollector@townofamboy-ny.us: You can't accept payments before that before January I think its fourth because of the holiday. It says it right on the bill. So I think I'm I think we're in good shape.

160

00:21:11.250 --> 00:21:14.670

taxcollector@townofamboy-ny.us: Anybody have any questions let me know so

161

00:21:16.680 --> 00:21:18.210

taxcollector@townofamboy-ny.us: I can't fix your bills, though.

162

00:21:30.360 --> 00:21:32.430

taxcollector@townofamboy-ny.us: Oh, yeah, yeah. Marianne, thank you for

163

00:21:33.870 --> 00:21:36.000

taxcollector@townofamboy-ny.us: For doing that. Thank you for doing that.

164

00:21:36.720 --> 00:21:37.710

taxcollector@townofamboy-ny.us: Getting it in the paper.

165

00:21:38.100 --> 00:21:40.590

taxcollector@townofamboy-ny.us: It's been you said two to two issues.

166

00:21:43.590 --> 00:21:44.130

This week,

167

00:21:46.590 --> 00:21:46.950

taxcollector@townofamboy-ny.us: Okay.

168

00:21:50.040 --> 00:21:58.170

taxcollector@townofamboy-ny.us: Yeah. Thanks Kathy for thinking about it and think about the newspaper. So I've got it on the fanboy activities. I'm running it.

169

00:21:58.980 --> 00:22:15.000

taxcollector@townofamboy-ny.us: You know, like, excuse me, once a week or so. And I'll start maybe doing it more frequently and asking people, just to share the information because I don't you know know then if there's anybody can think of any other avenues, let me know. Yeah.

170

00:22:17.760 --> 00:22:24.630

taxcollector@townofamboy-ny.us: I think we've got it covered because it's on the doors good on the test both been in the paper. Yep, you know,

171

00:22:25.770 --> 00:22:26.430

taxcollector@townofamboy-ny.us: Yep, go.

172

00:22:28.170 --> 00:22:30.330

Town of Amboy: Okay, I'm

173

00:22:31.440 --> 00:22:33.930

Town of Amboy: Back to you, Mr best. Thank you.

174

00:22:36.420 --> 00:22:42.150

Town of Amboy: Not quite as well prepared as I had hoped to be for tonight. So I don't have the printed copy of

175

00:22:42.720 --> 00:22:56.100

Town of Amboy: My report for you. But what I do have which I can pass out is I can give you the report that I gave to perish. The villain last Wednesday, which is essentially the same report, and I'll add a little bit to it at all female you make

176

00:23:09.180 --> 00:23:10.710

Town of Amboy: My copy here to refer to

177

00:23:12.990 --> 00:23:20.820

Town of Amboy: The total Commission is still operating under 50% occupancy. A lot of want to stay office building in Watertown for the staff that are based out of Watertown, however.

178

00:23:21.360 --> 00:23:32.370

Town of Amboy: We're allowed up to 50% but as of late. We hadn't been as high as 50% we've been trying to minimize occupancy and status building because of covert in trying to

179

00:23:33.360 --> 00:23:43.350

Town of Amboy: Prevent exposure. So basically the policy is is you go in entity as necessary basis if you need to do something, then can't do

180

00:23:43.770 --> 00:23:54.600

Town of Amboy: From your home location, then go into the office, but beyond that they're basically discouraging people from going into the Watertown office, but all the Watertown staff are working full time and

181

00:23:55.380 --> 00:24:01.200

Town of Amboy: Out of their homes and they're available to continue to work with you on any projects that you may have in mind.

182

00:24:02.520 --> 00:24:09.750

Town of Amboy: Governors executive order, allowing remote meetings and public hearing by mean such as zoom has been extended through January 1 and

183

00:24:10.380 --> 00:24:20.940

Town of Amboy: If they follow the previous pattern. They'll expand it for another month as they approach January 1 you have any upcoming meetings, I'd be happy to help you with that. If for funding going virtual in

184

00:24:22.050 --> 00:24:30.930

Town of Amboy: January I can help that you can all stay home and sit in front of your computer or a lot of people don't know but sessions. You don't need a computer you can dial in.

185

00:24:31.560 --> 00:24:37.320

Town of Amboy: You don't get the visual part but you can dial and it's a long distance phone number. There's no local number, unfortunately.

186

00:24:37.830 --> 00:24:41.820

Town of Amboy: But you can dial in and punch in an authorization code. And that gets you right into the meeting and

187

00:24:42.750 --> 00:24:54.630

Town of Amboy: If I know what the phone numbers are of the participants as in Tom board you can participate as well as you're if you're just a member of the public. We don't want random numbers.

188

00:24:55.290 --> 00:25:02.430

Town of Amboy: Talking right but except for things like again when we we've done things a little bit differently when we had to public here and again

189

00:25:02.880 --> 00:25:14.010

Town of Amboy: If you want to speak, or if you think you might want to speak. Let the supervisor or the town clerk, not a dance. We get your number or your identity and then you're allowed to speak on that is appropriate. So

190

00:25:15.240 --> 00:25:28.200

Town of Amboy: There are there are options, even under zoom for public both both viewing and participation in those meetings. So that's been a help to a lot of my municipalities during these challenging times

191

00:25:29.400 --> 00:25:38.760

Town of Amboy: The seminar ever Council of Governments met on Friday, November 20 of the 1b in our municipal building and via zoom and thank you for attending.

192

00:25:40.890 --> 00:25:47.400

Town of Amboy: If you have any suggestions for the next meeting date, time, location or subjects that would increase your opportunity or interesting. Technically, let me know.

193

00:25:47.940 --> 00:25:57.660

Town of Amboy: As things stand right now we're planning on meeting sometime in early 2021. We don't know yet. The chair and membership basically decided

194

00:25:58.410 --> 00:26:07.170

Town of Amboy: Depends on what comes up as a topic in whole how everything goes with coven whether, you know, and on what basis we meet. So we're kind of playing it by ear on that.

195

00:26:08.340 --> 00:26:13.470

Town of Amboy: One thing that did take place now introduced this tonight so we can follow up on a future meeting.

196

00:26:15.630 --> 00:26:25.980

Town of Amboy: You're a member of the center's Council of Governments and that's formed by what they call an intro mutual agreement basically sets off the ground rules on how you work together and who the officers are and

197

00:26:26.370 --> 00:26:37.920

Town of Amboy: How often you meet and just those basic ground rules you last entered into that five years ago and they need to be reviewed and expanded once every five years. So I've got copy

198

00:26:38.790 --> 00:26:53.010

Town of Amboy: All the of the agreement here and the literally the only change between the existing interminable agreement and this is the data at the top that shows that Simon rivers adopted it. On November 20

199

00:26:53.460 --> 00:27:01.800

Town of Amboy: All of them that it's exactly the same contract. There are no dollar amounts in that are in like that. So it's all said it's basically

200

00:27:02.400 --> 00:27:12.300

Town of Amboy: An extension of the status quo. So, since you're just seeing it tonight, except Cathy and see me because I email it to our earlier and I think I emailed Larry a copy as well.

201

00:27:12.780 --> 00:27:29.700

Town of Amboy: I must be okay. Well, this is the first time you saw five years ago, but I won't ask you to act on it tonight because you're just seeing it for the first time tonight it's perfectly fine. If you consider it at your one of your next meetings in January.

202

00:27:30.780 --> 00:27:37.350

Town of Amboy: So no, there's no hurry on that. Like I said, we're supposed to review and approve it once every five years, and it was, I think,

203

00:27:37.890 --> 00:27:48.990

Town of Amboy: mid, mid 2015 when we did that last but it's the more most important thing is that you decide you want to continue with centers method be done this month or next month I'm

204

00:27:50.100 --> 00:28:03.120

Town of Amboy: Also in the process of implementing a contractor to assist me with meeting coverage in seminaries area. So if you have anybody in mind to might be somebody that I can call on to help you with covering meetings, it is positioned for pay

205

00:28:04.440 --> 00:28:10.110

Town of Amboy: On a contract basis. So if you haven't been in mind who that for pass their name along to me.

206

00:28:12.570 --> 00:28:26.010

Town of Amboy: To other things, the subject of public employer health emergency plan came up in a neighboring town board meeting, and those plans and deadlines, starting in early 2021 you have a union.

207

00:28:27.420 --> 00:28:35.220

Town of Amboy: You're supposed to have your sign legislation back Labor Day, I believe it was that misspelled initials to develop a plan on how to deal with.

208

00:28:35.670 --> 00:28:46.380

Town of Amboy: public health emergencies, such as its own here oh by the way that that thing I had to do on the other side of it as a flyer for an upcoming webinar next Tuesday the 29th.

209

00:28:49.710 --> 00:28:50.580

Town of Amboy: At the email.

210

00:28:51.630 --> 00:28:58.620

Town of Amboy: That saw I think it should be a real good. One of the people that are doing that webinar have a draft template on the

211

00:28:59.190 --> 00:29:09.150

Town of Amboy: Planet could create where you fill in the blanks that are specific to your community on how you plan on dealing with what are a lot of things that we really need to be thinking about, like, what happens if

212

00:29:10.410 --> 00:29:18.630

Town of Amboy: People that invested in the have to stay at home or 14. What happens if they the coven takes your hide it apart, you know,

213

00:29:19.380 --> 00:29:26.370

Town of Amboy: You gotta, you gotta keep their own so open gov cloud. Why, what is your backup plan for working with each other. And I'll communities.

214

00:29:26.850 --> 00:29:35.070

Town of Amboy: To get done what you absolutely have to get done. So that's basically what that plan is about and they'll be going into a lot more detail next Tuesday on it.

215

00:29:36.360 --> 00:29:38.820

Town of Amboy: There was a tongue Hill Times article on that on

216

00:29:42.480 --> 00:29:43.140

Town of Amboy: That for a

217

00:29:44.640 --> 00:30:00.120

Town of Amboy: Little bit about what's involved in a public employer health emergency plan. So I'm, I'm looking forward to seeing that myself and I'm happy to help you if you need any help in that opening up. I can do.

218

00:30:01.980 --> 00:30:14.040

Town of Amboy: And the last thing I have is that this is a particular to and boy is I met with your town tax collector and I helped her with some computer questions and some you know question she that so

219

00:30:14.520 --> 00:30:21.660

Town of Amboy: I was happy to happy to help her. And I think we have some questions. We still need to work on, but we're working on.

220

00:30:22.470 --> 00:30:25.110

taxcollector@townofamboy-ny.us: Thanks, Paul. Thanks. I really appreciate it.

221

00:30:25.890 --> 00:30:34.170

Town of Amboy: All off of you. I was. That was an interesting day and Beverly brought up some interesting and challenging questions that are going to resource utilization

222

00:30:35.400 --> 00:30:36.660

taxcollector@townofamboy-ny.us: Thanks again. Yeah.

223

00:30:37.530 --> 00:30:41.400

Town of Amboy: Welcome. And that's, I think, all I had for you for tonight.

224

00:30:44.910 --> 00:30:45.360

Town of Amboy: Where

225

00:30:49.920 --> 00:30:56.010

Town of Amboy: April 1 April 1 if you have a union, you're supposed to have to your union by the beginning can work.

226

00:30:56.970 --> 00:31:02.880

Town of Amboy: But if you don't, you got a little more leeway in terms of time to develop it. But like I said, a lot of the things that are in that plan.

227

00:31:03.240 --> 00:31:10.500

Town of Amboy: Are things that we all really need to be talking about anyway, is how we react, you know, notification backup plans and stuff like that.

228

00:31:11.160 --> 00:31:23.100

Town of Amboy: And are very real thing for all these days. It's really interesting that that is all coming up in a rather tonight john and I had a conversation today one of our neighboring towns.

229

00:31:24.180 --> 00:31:29.370

Town of Amboy: Not wants to touch us. But neighboring town their entire highway department.

230

00:31:30.480 --> 00:31:30.840

Is

231

00:31:31.950 --> 00:31:35.250

Town of Amboy: One of the ones. Even the supervisor over here.

232

00:31:36.840 --> 00:31:42.390

Town of Amboy: And there are individuals in neighboring towns that are

233

00:31:43.710 --> 00:32:02.550

Town of Amboy: So and john and I talked about today if mother towns as problem I'll we're going to, we are planning on sending a truck driver and if we're in that situation, you know, we'll do the thing that we always do neighbors helping neighbors.

234

00:32:04.620 --> 00:32:26.790

Town of Amboy: Exactly. And I guess we've had a few weather incident since the other town doesn't have anybody working and the town surrounding them come to their aid. So, you know, we'll figure it out. But now we got to formalize it. So now we can do that. You do that. No problem, probably work out your

235

00:32:31.440 --> 00:32:32.460

Town of Amboy: Old business.

236

00:32:35.970 --> 00:32:40.200

Town of Amboy: We have to pass a resolution or we have to pass a resolution.

237

00:32:41.730 --> 00:32:42.630

Town of Amboy: For the

238

00:32:45.450 --> 00:32:59.850

Town of Amboy: to authorize stuff and adopt the multi jurisdictional all hazard mitigation plan that we work them last year with the County Emergency Management environment, and it would be this.

239

00:33:03.900 --> 00:33:10.440

Town of Amboy: So this is the town of am going has reviewed the 2019 hazard, which we did

240

00:33:11.880 --> 00:33:15.120

Town of Amboy: Publicly we all did that went through all that

241

00:33:16.320 --> 00:33:18.210

Town of Amboy: And made any changes the bangs.

242

00:33:19.530 --> 00:33:25.500

Town of Amboy: The 2019 hazard mitigation plan. The document is acceptable and

243

00:33:30.630 --> 00:33:41.490

Town of Amboy: The power of being a boy will consider the county agent update during the implementation of dating of local planning mechanisms and incorporate that hazard.

244

00:33:42.150 --> 00:33:59.940

Town of Amboy: assessment data. Our vulnerabilities and mitigation actions and be it resolved town of Mo is participating jurisdiction adapts the multi jurisdictional all hazard mitigation plan update. First we go County, New York dated November 29

245

00:34:01.470 --> 00:34:05.400

Town of Amboy: So if someone would make a motion to accept that resolution.

246

00:34:10.500 --> 00:34:11.340

Town of Amboy: On favor

247

00:34:13.200 --> 00:34:16.380  
Town of Amboy: And then that's on them, I will get a copy of that after

248  
00:34:19.200 --> 00:34:19.590  
Town of Amboy: They

249  
00:34:22.080 --> 00:34:39.450  
Town of Amboy: And Terry bed with the County Emergency Management participated in some other municipal meetings in the area via zoom and I'm sure she'd be happy to appear on one of your zoom meetings. If you want to discuss this further, further if you have any questions.

250  
00:34:42.390 --> 00:34:42.930  
Anyone

251  
00:34:44.190 --> 00:34:45.630  
Town of Amboy: Turn line by line.

252  
00:34:47.850 --> 00:34:50.910  
Town of Amboy: With the help of Planet name is from

253

254  
00:34:56.580 --> 00:34:58.170  
Town of Amboy: Elaine Elaine

255  
00:35:06.060 --> 00:35:08.010  
Town of Amboy: Other old business anything

256  
00:35:15.540 --> 00:35:17.610  
Town of Amboy: Other. Any questions or comments.

257  
00:35:21.480 --> 00:35:22.680  
Town of Amboy: Silence is golden.

258  
00:35:27.600 --> 00:35:29.310  
Town of Amboy: What there is that

259  
00:35:31.890 --> 00:35:43.560  
Town of Amboy: If someone would make a motion to accept the general fund bills Boucher to a one to 224 \$7,492 that eight

260

00:35:45.210 --> 00:35:48.390

Town of Amboy: Hours, I kind of figured. Yeah.

261

00:35:49.830 --> 00:35:50.580

Town of Amboy: All in favor.

262

00:35:52.800 --> 00:35:53.640

Town of Amboy: And

263

00:35:54.690 --> 00:36:06.480

Town of Amboy: The highway bills for 170 321 91 in the out of \$25,206 and 93 cents or something like a

264

00:36:07.590 --> 00:36:09.300

Town of Amboy: Favorite right there we go.

265

00:36:11.430 --> 00:36:11.760

Town of Amboy: All

266

00:36:13.920 --> 00:36:15.180

Town of Amboy: Your new jam.

267

00:36:17.130 --> 00:36:17.580

Town of Amboy: Jam.

268

00:36:22.800 --> 00:36:23.940

Town of Amboy: Or false that I would

269

00:36:25.680 --> 00:36:25.860

Town of Amboy: Like

270

00:36:27.000 --> 00:36:28.620

Town of Amboy: To Tom's responsibility.

271

00:36:34.410 --> 00:36:38.100

Town of Amboy: And next month's meeting planning meeting or the

272

00:36:40.680 --> 00:36:42.150

Town of Amboy: Organizational meeting.

273

00:36:43.170 --> 00:36:46.620

Town of Amboy: And we will be doing multiple

274

00:36:49.020 --> 00:36:53.100

Town of Amboy: public hearings about the comprehensive plan and

275

00:36:54.930 --> 00:36:57.540

Town of Amboy: Or at least scheduling down, we'll see how that goes.

276
