53
00:06:14.130 --> 00:06:20.880
Town of Amboy: Any of that without the county attorney being involved and maybe even the county I don't know me.

54
00:06:23.070 --> 00:06:23.580

00:06:25.890 --> 00:06:30.270
Town of Amboy: I don't know i'm a little uncomfortable with a boy, and I agree, you know I.

56
00:06:32.160 --> 00:06:33.780
Town of Amboy: You know and.

57
00:06:34.860 --> 00:06:52.740
Town of Amboy: He is one person on that road where there are other all year round, people who may not like that identity in the also run off of all what he pays for taxes and I explained to him i'll his voice is beautiful and everything and.

Any issue one new relic.

149

00:16:17.970 --> 00:16:18.480

So.

150

00:16:19.680 --> 00:16:20.250

he's working.

151

00:16:21.300 --> 00:16:23.820

Town of Amboy: he's also looking into a couple of things.

152

00:16:25.710 --> 00:16:26.160

Town of Amboy: That.

153

00:16:27.180 --> 00:16:28.260

Town of Amboy: need to be addressed.

154

00:16:29.430 --> 00:16:37.200

Town of Amboy: So when we have a report or information will share it at that point so.

155

00:16:39.750 --> 00:16:42.720

Tim Kelley: Mr Kelly is bad and bad yeah.

156

00:16:42.930 --> 00:16:45.450

Tim Kelley: You know, you know even Superman can hold it so.

157

00:16:48.780 --> 00:16:50.400
Tim Kelley: tmi hear me.

158
00:16:50.820 --> 00:16:51.180
me.

159
00:16:54.180 --> 00:16:55.020
Tim Kelley: Can you hear me now.

160
00:16:57.120 --> 00:16:58.140
Town of Amboy: We can hear you.

161
00:16:58.230 --> 00:16:58.740
Okay.

162
00:16:59.940 --> 00:17:07.110
Tim Kelley: where's The historian, I attended a zoom meeting with us
three go county historians.

163
00:17:08.310 --> 00:17:18.660
Tim Kelley: As actually their second one, the first one, they didn't get
in touch with everybody, but they had about 11 or 12 participants, which
is very high, even for an in person meeting.

164
00:17:19.320 --> 00:17:28.590
Tim Kelley: or them and they had a speaker someone concerning Facebook
and if any of the historians will be using Facebook, they should.

165
00:17:29.790 --> 00:17:32.760
Tim Kelley: follow a certain procedure to do so to keep.

166
00:17:33.960 --> 00:17:42.420
Tim Kelley: Information, the way it should be in that having people come
in and voice their opinions they're going to have another one next month.

167
00:17:43.440 --> 00:17:50.760
Tim Kelley: And it was real good to see people and talk to them other net
I haven't heard anything from anyone checking my emails.

168
00:17:51.810 --> 00:17:55.230
Tim Kelley: So it's okay we'll move right on to the planning board.

169

00:17:56.370 --> 00:18:05.400

Tim Kelley: I believe there was couple members of the board that attended our board meeting in zoom last month and I know Kathy you're in and out there for a few minutes.

170

00:18:06.660 --> 00:18:09.390

Tim Kelley: We came up with the moratorium.

171

00:18:10.590 --> 00:18:17.070

Tim Kelley: happy that and we submitted it to you because I believe you're going to print them off Kathy.

172

00:18:25.500 --> 00:18:25.920

Tim Kelley: Really.

173

00:18:26.130 --> 00:18:27.240

Town of Amboy: I know I didn't get it.

174

00:18:28.500 --> 00:18:28.890

yeah.

175

00:18:30.120 --> 00:18:32.910

Tim Kelley: Well i'll make sure that I, I thought I.

176

00:18:34.980 --> 00:18:38.940

Tim Kelley: emailed them to both your private and.

177

00:18:41.730 --> 00:18:43.440

Tim Kelley: Your supervisor females.

178

00:18:43.890 --> 00:18:44.520

I know.

179

00:18:46.350 --> 00:18:47.970

Tim Kelley: there's a now, they need a.

180

00:18:49.320 --> 00:18:56.220

Tim Kelley: lot of times you don't get some of your my emails I know from Doug Hill, for some reason, through there because matt Johnson had.

181

00:18:57.660 --> 00:19:00.750

Tim Kelley: getting through to you did have you been getting anything from him.

182

00:19:04.380 --> 00:19:08.190

Town of Amboy: I he's now using my private email.

183

00:19:09.480 --> 00:19:16.650

Town of Amboy: So I don't have a problem with getting things for matt I do have problems getting them on my email, and I have no idea why.

184

00:19:20.580 --> 00:19:23.370

Tim Kelley: I believe we kind of went over the the.

185

00:19:25.140 --> 00:19:41.070

Tim Kelley: bullet points and your charm matt chance and it sent that to me, and it was basically from a town of an lpn and I just kind of replaced everything and then also change the.

186

00:19:42.360 --> 00:19:48.810

Tim Kelley: The time period former for from six months to one year to give us enough time to make sure that we get this done.

187

00:19:50.340 --> 00:19:56.430

Tim Kelley: But i'm sorry you didn't get them out i'll get that to you i'd like to soundboard look at all right, I believe.

188

00:19:57.840 --> 00:20:00.060

Tim Kelley: A deck you were there weren't you and Larry.

189

00:20:02.010 --> 00:20:02.310

yeah.

190

00:20:07.020 --> 00:20:07.410

Tim Kelley: and

191

00:20:09.480 --> 00:20:14.190

Tim Kelley: The chatter out there is a lab these companies are starting to look.

192

00:20:15.690 --> 00:20:21.210

Tim Kelley: For moral and I know what camden is having a big solar farm put in a band the hillsborough road.

193

00:20:22.980 --> 00:20:25.950

Tim Kelley: And I don't know what their particular laws are.

194

00:20:27.450 --> 00:20:28.230

Tim Kelley: entail.

195

00:20:29.250 --> 00:20:39.510

Tim Kelley: But you know, as these companies, address the residents and the town board about this we'd like to get this in place as soon as possible.

196

00:20:41.460 --> 00:20:48.540

Tim Kelley: And I don't know what is that I didn't ask matt on whether you have to have a public caring for that or not.

197

00:20:54.030 --> 00:20:56.280

Town of Amboy: yeah murdering is a local laws we need.

198

00:21:00.660 --> 00:21:04.500

Tim Kelley: Right so we'd have to have that down, as well as the zoning.

199

00:21:06.270 --> 00:21:10.200

Tim Kelley: Changes to was a possible to have to hearing it on the same night.

200

00:21:12.240 --> 00:21:12.450

yeah.

201

00:21:38.190 --> 00:21:38.580

So.

202

00:21:43.350 --> 00:21:44.160

Our next meeting.

203

00:21:46.980 --> 00:21:48.870

We want to try and have a meeting on that.

204

00:22:20.850 --> 00:22:21.150

know.

205

00:22:22.800 --> 00:22:27.900

Why you to make something in place, so do you want to do it on the board meeting.

206

00:22:37.920 --> 00:22:38.370
evening.

207

00:22:45.660 --> 00:22:46.110
Tim Kelley: Before.

208

00:22:48.630 --> 00:22:51.900
Tim Kelley: Summer Bruce comments are some of the festival.

209

00:22:53.280 --> 00:23:05.130
Tim Kelley: voices from the public concerning their property or whatever I think we've got it you got to spend this in a positive situation, because unless you include things into your.

210

00:23:07.050 --> 00:23:18.270
Tim Kelley: zoning law concerning this type of power systems, if not covered bullying and efficiently some some of the landowners could sign up.

211

00:23:19.290 --> 00:23:27.330
Tim Kelley: And after 10 years if they happen to move on, if they don't have a band or something in place they're going to be stuck with the bill on this, I think.

212

00:23:27.870 --> 00:23:29.250
Tim Kelley: A lot of people should know about this.

213

00:23:36.060 --> 00:23:36.540
So.

214

00:23:40.650 --> 00:23:40.860
This.

215

00:23:42.000 --> 00:23:51.330
Tim Kelley: Town stick into it well, the talent, is the moratorium is basically just to include comprehensive wind power and solar power.

216

00:23:53.700 --> 00:24:10.650
Tim Kelley: Parts of the zoning law making sure it's a certain amount now the biggest thing is to roses, you want to remember that and,

unfortunately, you haven't seen this yet, but this addresses basically commercial properties that does that include.

217

00:24:11.820 --> 00:24:16.590

Tim Kelley: say your setup that you have right there there's there's no way that would.

218

00:24:18.990 --> 00:24:20.340

Tim Kelley: curtail anybody's.

219

00:24:22.680 --> 00:24:24.120

Tim Kelley: wishes to go ahead and.

220

00:24:24.120 --> 00:24:25.890

Tim Kelley: put their own solar systems in.

221

00:24:28.140 --> 00:24:30.300

Town of Amboy: What what i'm saying is as the year goes by.

222

00:24:32.640 --> 00:24:36.390

Town of Amboy: And they walk in 10 years, what about because I have to do what we got.

223

00:24:42.750 --> 00:24:44.370

Tim Kelley: Well, you know here, here we go with.

224

00:24:44.790 --> 00:24:48.660

Tim Kelley: This far as the town goes not directly but.

225

00:24:49.680 --> 00:25:00.930

Tim Kelley: I think the town than the zoning laws should be able to protect these individuals for that, in a way that if they require part of their licensing procedures, a band.

226

00:25:02.220 --> 00:25:06.870

Tim Kelley: That would protect the land older much better than if you hadn't got involved in it all.

227

00:25:10.050 --> 00:25:14.580

Town of Amboy: Right, you need a year so here's what i'm gonna.

228

00:25:15.720 --> 00:25:17.430

Town of Amboy: we're not voting on.

229

00:25:18.780 --> 00:25:24.780

Town of Amboy: or making a decision we're having a public hearing about it.

230

00:25:26.070 --> 00:25:36.900

Town of Amboy: So, and we can have those kinds of conversations and you know if this is something we want to move forward with and everyone the townspeople forward.

231

00:25:38.370 --> 00:25:42.870

Town of Amboy: Take a step that all have some information about the possibility of a.

232

00:25:44.070 --> 00:25:48.690

Town of Amboy: company that puts these things up moving out what was the basis for that you.

233

00:25:50.100 --> 00:25:55.830

Town of Amboy: Are, that is, is a companies they're putting in these energy systems, both wind and solar have some front loaded.

234

00:25:56.460 --> 00:26:08.880

Town of Amboy: tax incentive and, in some cases they've been known to use those tax benefits that they get over the past several years and then walk away from the project, leaving the land owner, with the infrastructure that they are then tax down.

235

00:26:10.020 --> 00:26:15.570

Town of Amboy: And the solar company or in companies gone they took what they wanted out of it, they got their money and.

236

00:26:17.280 --> 00:26:31.560

Town of Amboy: So there is that possibility that a less responsible company that doesn't have to put up money for say removal of the facilities after it's reached its useful life or replace them.

237

00:26:33.330 --> 00:26:40.110

Town of Amboy: could use those things for their own benefit and not for the benefit of the town, leaving the land are holding the bag.

238

00:26:44.130 --> 00:26:45.720

So let's.

239

00:26:48.870 --> 00:26:49.350

Town of Amboy: Have.

240

00:26:52.170 --> 00:26:53.880

Town of Amboy: On the 19th of April.

241

00:26:57.240 --> 00:27:01.980

Town of Amboy: We want to start at 630.

242

00:27:03.210 --> 00:27:09.000

Town of Amboy: So we'll have the zoning public hearing at 630.

243

00:27:10.350 --> 00:27:18.690

Town of Amboy: immediately followed by the moratorium discussion and women's over.

244

00:27:21.750 --> 00:27:26.100

Town of Amboy: immediately followed by the regularly scheduled town board either.

245

00:27:28.800 --> 00:27:29.280

Tim Kelley: know.

246

00:27:29.370 --> 00:27:31.560

April 19 630.

247

00:27:34.560 --> 00:27:35.040

Tim Kelley: You know not.

248

00:27:35.250 --> 00:27:41.940

Tim Kelley: getting any biscuits and right now, but the Bruce mentioned, but what it takes a year it this year laws down.

249

00:27:43.470 --> 00:27:58.020

Tim Kelley: You can do it in six months, but what the coven situation now, and the meetings very difficult to have and have public hearings and so on, so forth, I just stated a year, just in case we needed extra time.

250

00:27:59.040 --> 00:28:04.110

Tim Kelley: To do our homework and come up with something that the board and probably would appreciate.

251

00:28:06.720 --> 00:28:08.190

Town of Amboy: I think the biggest thing is these large.

252

00:28:09.240 --> 00:28:29.760

Town of Amboy: Large solar, wind farms and I don't know if you're saying they can legally do it, so people should be forewarned that, if anything, does go right that that town is responsible, but there should be some ramifications for the output is pointing out, so does anybody holding the bag.

253

00:28:32.490 --> 00:28:38.220

Tim Kelley: Well, especially if the if you build that into your zoning if they have to have.

254

00:28:38.220 --> 00:28:49.470

Tim Kelley: A permit in order to have this that's where the tone gets them well, and if you just want to leave it, you know natural, so to speak, and just let them put him in that's another issue, but.

255

00:28:50.910 --> 00:28:54.660

Tim Kelley: There should be something as responsible that will please everybody.

256

00:29:00.690 --> 00:29:02.220

Town of Amboy: let's do that as a meeting.

257

00:29:05.190 --> 00:29:11.160

Town of Amboy: it's not a final law it's just a pause on any activity.

258

00:29:12.450 --> 00:29:15.930

Town of Amboy: While we put we not the zoning discussion.

259

00:29:17.340 --> 00:29:19.710

Town of Amboy: You know it's just the pause so.

260

00:29:21.750 --> 00:29:31.230

Town of Amboy: you're fine, you should probably be the one over there, it took a large massive area, and there was a lot of talk back and forth.

261

00:29:32.340 --> 00:29:32.700

yourself.

262

00:29:36.360 --> 00:29:36.480
and

263

00:29:37.590 --> 00:29:39.270
Town of Amboy: I know there's been problems.

264

00:29:40.470 --> 00:29:41.370
Town of Amboy: and talk about.

265

00:29:42.810 --> 00:29:44.100
Town of Amboy: Some significant problem.

266

00:29:45.270 --> 00:29:45.870
Town of Amboy: windmills.

267

00:29:47.880 --> 00:29:56.100
Town of Amboy: operates the roads to get elsewhere, they can work on them
and then the town is responsible for the upkeep and get the way that.

268

00:30:00.270 --> 00:30:04.650
Town of Amboy: All right, so we will come back to that and it will be
rolling.

269

00:30:05.880 --> 00:30:07.140
Town of Amboy: Forward okay.

270

00:30:11.010 --> 00:30:12.480
Town of Amboy: All right, um.

271

00:30:15.330 --> 00:30:20.910
Town of Amboy: everything's going well with dog control haven't had any
problems at all.

272

00:30:23.430 --> 00:30:23.940
Town of Amboy: So.

273

00:30:25.560 --> 00:30:26.220
Town of Amboy: beverly.

274

00:30:30.810 --> 00:30:31.500
Town of Amboy: Everything going.

275

00:30:32.400 --> 00:30:38.520

david marzolf: everything's going okay um I just did the second notices today i'm.

276

00:30:39.210 --> 00:30:49.710

david marzolf: So those are going to get mailed out tomorrow i'm a lot of people used as I had stated before, a lot of people have been using the online service, especially the check so.

277

00:30:50.250 --> 00:31:04.470

david marzolf: that's been pretty good i'm winding down it's really you know slowing down, we did get the big check from the state for the reforestation group of properties.

278

00:31:05.670 --> 00:31:25.500

david marzolf: The county held that but that's all because we'd already made our warranty so there was no sense in them back and forth with the check so those came in and all the utilities came in so we're really winding down, I think it was 150 ish bills, I think that.

279

00:31:26.820 --> 00:31:35.100

david marzolf: per second notice, but I think we're doing pretty well and it looks like renee.

280

00:31:36.300 --> 00:31:46.080

david marzolf: maryann's friend renee is interested in running for the position to tax collector and she got her at least two signatures.

281

00:31:48.900 --> 00:31:57.330

david marzolf: And she's she shadowed me today and actually did some of the computer input and stuff going through, so I think she's going to work out really well.

282

00:31:58.380 --> 00:32:05.880

david marzolf: So i'm happy i'm happy for the town, to be able to get somebody like that, so I think that's that's it pretty much, I think.

283

00:32:08.580 --> 00:32:09.930

Town of Amboy: Oh, thank you very much.

284

00:32:11.070 --> 00:32:12.330

david marzolf: you're welcome appreciate it.

285

00:32:12.600 --> 00:32:13.950

david marzolf: you're welcome I love.

286

00:32:15.030 --> 00:32:16.920

Town of Amboy: I love when you write the big checks.

287

00:32:21.540 --> 00:32:23.190

david marzolf: Sorry, I can only write one.

288

00:32:28.530 --> 00:32:31.770

Town of Amboy: And you will always find me wrong you right out of the boy.

289

00:32:33.660 --> 00:32:34.350

david marzolf: yeah.

290

00:32:36.270 --> 00:32:37.650

david marzolf: boy, the next one.

291

00:32:42.930 --> 00:32:45.630

Town of Amboy: So I talked to beth yesterday.

292

00:32:46.770 --> 00:32:47.730

We put in.

293

00:32:49.260 --> 00:32:50.940

Town of Amboy: A request for.

294

00:32:52.650 --> 00:32:55.110

Town of Amboy: 1400 dollars for the.

295

00:32:56.280 --> 00:32:58.950

Town of Amboy: Justice court grant didn't do.

296

00:33:02.670 --> 00:33:04.890

Town of Amboy: equipment so she can do video.

297

00:33:06.150 --> 00:33:11.760

Town of Amboy: conferencing, with the attorneys and the defendant and all of that and.

298

00:33:13.380 --> 00:33:15.930

Town of Amboy: Somewhere we're going to set it up out here.

299

00:33:18.690 --> 00:33:24.810

Town of Amboy: The gave us 637 or 7337.

300

00:33:26.970 --> 00:33:29.220

Town of Amboy: They knocked a couple of the costs down.

301

00:33:30.960 --> 00:33:38.670

Town of Amboy: But she has the money to buy the TV of the stand and some other equipment and then.

302

00:33:39.840 --> 00:33:53.970

Town of Amboy: They have to come to the justice team that the team has to come in and installing so now that we have the money, she can schedule with that tech team, and they can come in here and take care of everything for us.

303

00:33:55.470 --> 00:33:58.320

Town of Amboy: So that would be a wonderful thing.

304

00:34:00.270 --> 00:34:01.290

So hopefully.

305

00:34:03.120 --> 00:34:07.560

Town of Amboy: It will stay within that amount that they gave us, but if we need a little bit more.

306

00:34:08.820 --> 00:34:14.190

Town of Amboy: And we do have that in our contingency money, so we could take care of that.

307

00:34:26.040 --> 00:34:27.150

Town of Amboy: I just signed on with a.

308

00:34:31.560 --> 00:34:31.950

Town of Amboy: check.

309

00:34:35.220 --> 00:34:39.480

Town of Amboy: A total of \$55 and 70 cents was taking in.

310

00:34:40.530 --> 00:34:48.000

Town of Amboy: \$435 and 70 cents patron so you guys have fun in \$20 went to New York state animal population.

311

00:35:10.620 --> 00:35:11.340

Town of Amboy: The.

312

00:35:12.510 --> 00:35:23.640

Town of Amboy: annual financial reports that we have to do to stay was completed and it's been submitted to the State controllers out there, so.

313

00:35:25.980 --> 00:35:30.090

Town of Amboy: Hopefully, everything is good and we haven't heard back from them, yet, but.

314

00:35:32.220 --> 00:35:33.210

Town of Amboy: that's been done.

315

00:35:39.750 --> 00:35:40.830

Town of Amboy: Mr baxter.

316

00:35:46.380 --> 00:35:49.950

Town of Amboy: see if this works, you might get me on camera I.

317

00:35:51.300 --> 00:35:52.920

Town of Amboy: Hope I think it does, I can see my.

318

00:35:58.920 --> 00:35:59.310

Town of Amboy: TV.

319

00:36:01.110 --> 00:36:02.760

Town of Amboy: There we go all over again.

320

00:36:04.110 --> 00:36:04.590

Town of Amboy: Okay.

321

00:36:06.090 --> 00:36:19.050

Town of Amboy: that's report it's unchanged together permissions are operating as they have been operating under reason reason coded provisions hasn't changed on be working full time and available to help and why isn't it.

322

00:36:20.280 --> 00:36:28.350

Town of Amboy: The governor's executive order, I think it might have just been changed today, because until very recently, it had been extended through march 16.

323

00:36:29.160 --> 00:36:39.300

Town of Amboy: You can be tomorrow yeah, and so I took the day see as we were approaching the 16th that that was going to be updated and I found out today that has been updated until it's an extended through march 28.

324

00:36:40.050 --> 00:36:46.560

Town of Amboy: So that's how things pan to that and keep in mind that all that really does in terms of the two tickets you give against for you is.

325

00:36:47.070 --> 00:36:54.240

Town of Amboy: allow for remote participant by telling board members what we're doing now resuming with extending it to other people right that's.

326

00:36:55.050 --> 00:37:04.620

Town of Amboy: Completely up to you because they're not voting members of your who's adding more and all that does is if one of you wanted to meet from home because of.

327

00:37:05.190 --> 00:37:09.570

Town of Amboy: Particular needs being out of town or something like that is this overrides.

328

00:37:10.110 --> 00:37:16.290

Town of Amboy: what used to be the provisions that put restrictions on that, so this right here would have been affected either way.

329

00:37:16.710 --> 00:37:22.800

Town of Amboy: Okay, but the other thing, of course, is you're making this available to the public the ISM because was a.

330

00:37:23.550 --> 00:37:38.400

Town of Amboy: special provisions you're under now it's called it, in closing the building use town, so it does definitely help you so i'm happy, it was extended, one more time through march 28, even if it doesn't affect you like to do, but under the old authorization.

331

00:37:39.930 --> 00:37:53.580

Town of Amboy: North shore incentive rivers, we talked about that, though more most recent Sanders meeting undefined aligned with a contractor and

I do have somebody lined up now that helped me with the firewall on board meeting last Tuesday and I have another possible.

332

00:37:54.660 --> 00:38:02.370

Town of Amboy: prospect that might not be until next year, but somebody else who might be interested in helping me so that's good, because I can have more than one person.

333

00:38:03.030 --> 00:38:12.270

Town of Amboy: There are times I could actually probably use one person, but especially the second Tuesday of the month, but I have three meetings at night, and I think the weather that can be a challenge so.

334

00:38:15.090 --> 00:38:22.770

Town of Amboy: The total Commission met today via zoom and one of the things that came up was their next meeting, Monday April 19.

335

00:38:23.340 --> 00:38:34.110

Town of Amboy: Today, he was via zoom but we're hoping that we can do next month's meeting at least partially in person with a zoom component to expand it to some of the Commission numbers that.

336

00:38:34.500 --> 00:38:42.480

Town of Amboy: can't be there for health reasons or anybody else who might want to attend that might not want to drive to central spreadsheets and next meeting is in central square so.

337

00:38:43.200 --> 00:38:53.280

Town of Amboy: Close by to you if you wanted to attend we'll probably have to work out something again, depending on how things change between now and April 19 I know there's been talks about reducing the.

338

00:38:54.870 --> 00:39:02.520

Town of Amboy: required separation distance between people and if that happens that would increase the number of people that could.

339

00:39:03.000 --> 00:39:07.830

Town of Amboy: fit in the central square go offices and we're going to figure out what that number is and.

340

00:39:08.790 --> 00:39:13.200

Town of Amboy: Whether we're going to need rsvp to stay under the meeting limiter you know, so I.

341

00:39:13.680 --> 00:39:21.570

Town of Amboy: recommend you keep a look on the title website and the functional times for more information about that as we get closer to April 19 but that's.

342

00:39:22.170 --> 00:39:28.410

Town of Amboy: over a month away so we've got time to try to figure that one out, as it turns out, a lot of the Commissioners at this point.

343

00:39:29.040 --> 00:39:42.990

Town of Amboy: Actually, have had at least one shot and we'll probably have both shots and prior to the April 19 meeting so they were feeling more comfortable about being in person and they happen because they really haven't met in person, or virtually for the last year.

344

00:39:44.190 --> 00:39:54.750

Town of Amboy: And trying things up to tango Commission has several interesting webinars between now and the end of the month, they had one on conservation and to kill a primer on.

345

00:39:55.740 --> 00:40:04.650

Town of Amboy: How many highways highways and highway issues which is coming up on the 18th they've been doing a series on letters from a talk plug in a Lager which is historical.

346

00:40:05.520 --> 00:40:17.280

Town of Amboy: At the end of the month they're going to have a session by day by cordon bleu remember from channel nine news still on top of the weather and he's doing a presentation on are changing climate and local weather.

347

00:40:17.910 --> 00:40:27.870

Town of Amboy: And there's more information about all of those, including reservation information at the talking about site, as listed very cool and that's all I have for you, for tonight.

348

00:40:29.550 --> 00:40:29.910

Town of Amboy: Thank you.

349

00:40:33.360 --> 00:40:34.470

Town of Amboy: What time is the.

350

00:40:35.730 --> 00:40:36.540

Town of Amboy: meeting for the.

351

00:40:38.040 --> 00:40:45.960

Town of Amboy: Most of those are daytime meetings and they started kind of five o'clock and yeah today's wasn't that's what a lot of them are they occasionally get some that were in the afternoon.

352

00:40:46.740 --> 00:40:58.500

Town of Amboy: Generally at 10 o'clock okay and i'm sure we move these around the region, during the course of the year, to try and make them accessible by but he wants to attend person.

353

00:40:58.920 --> 00:41:13.770

Town of Amboy: And if it's anywhere close to normally we send out a notice to the Supervisor to invite them, in particular, to attend, so I would expect you might get up a personal email or invitation to that one I usually do yeah Thank you, thank you.

354

00:41:17.610 --> 00:41:18.210

Town of Amboy: Okay.

355

00:41:20.580 --> 00:41:21.990

Town of Amboy: One of the trainings.

356

00:41:24.210 --> 00:41:25.170

Town of Amboy: was being held.

357

00:41:26.850 --> 00:41:27.570

Town of Amboy: and harassment.

358

00:41:29.310 --> 00:41:30.720

Town of Amboy: 530 this afternoon.

359

00:41:33.000 --> 00:41:37.110

Town of Amboy: So that's why nobody got told, because you had to be here.

360

00:41:39.720 --> 00:41:45.330

Town of Amboy: But hopefully we'll be able to get one box down here shortly.

361

00:41:48.960 --> 00:41:49.350

and

362

00:41:50.790 --> 00:41:54.780

Town of Amboy: She did well I don't know me me and I didn't get.

363

00:42:04.200 --> 00:42:06.420

Town of Amboy: So as soon as we get that.

364

00:42:08.280 --> 00:42:08.910

Town of Amboy: Then we'll.

365

00:42:10.890 --> 00:42:15.960

Town of Amboy: get started, and now that the weather's starting to come down i'm not saying that out loud.

366

00:42:17.070 --> 00:42:21.810

Town of Amboy: The highway department should have ample opportunity in the near future.

367

00:42:22.920 --> 00:42:24.210

Town of Amboy: To take that course.

368

00:42:26.640 --> 00:42:35.670

Town of Amboy: I got a thank you note from the williamstown senior group for the check that we write them.

369

00:42:40.590 --> 00:42:42.210

Town of Amboy: and other than that.

370

00:42:43.680 --> 00:42:44.190

Town of Amboy: There is.

371

00:42:47.190 --> 00:42:47.670

Town of Amboy: Nothing.

372

00:42:49.410 --> 00:42:54.660

Town of Amboy: we're like at a plateau there's no old business well that was open.

373

00:42:55.890 --> 00:43:00.270

Town of Amboy: And the sexual harassment training is all business, but other than that there's no new business.

374

00:43:01.290 --> 00:43:01.920

Town of Amboy: So.

375

00:43:02.940 --> 00:43:05.910

Town of Amboy: Is anybody have anything we're open for.

376

00:43:07.560 --> 00:43:08.220

Town of Amboy: The public.

377

00:43:09.270 --> 00:43:10.380

Town of Amboy: Anybody got anything.

378

00:43:14.280 --> 00:43:15.300

Tim Kelley: hey Kathy.

379

00:43:17.190 --> 00:43:17.940

Town of Amboy: Yes, sir.

380

00:43:18.030 --> 00:43:21.660

Tim Kelley: I I emailed that to you, so you should have that.

381

00:43:22.980 --> 00:43:23.760

Tim Kelley: moratorium.

382

00:43:28.740 --> 00:43:30.600

Town of Amboy: Give me a minute yeah I got it.

383

00:43:32.370 --> 00:43:32.700

Tim Kelley: it's an.

384

00:43:32.850 --> 00:43:33.720

ever present okay.

385

00:43:35.970 --> 00:43:36.240

Town of Amboy: let's see.

386

00:43:36.570 --> 00:43:39.030

Town of Amboy: I will make sure everybody has.

387

00:43:40.860 --> 00:43:41.190

Town of Amboy: yep.

388

00:43:42.570 --> 00:43:43.980
Tim Kelley: Thank you i'll make sure.

389
00:43:44.040 --> 00:43:44.370
Thank you.

390
00:43:46.080 --> 00:43:46.800
Thank you.

391
00:43:54.420 --> 00:43:55.380
Town of Amboy: Anything else.

392
00:43:59.520 --> 00:44:07.350
Town of Amboy: All right under new business and some of you may have information about this weekend, as you reported on it.

393
00:44:10.920 --> 00:44:11.490
Town of Amboy: there's.

394
00:44:12.780 --> 00:44:18.120
Town of Amboy: A possibility if parishes water district gets approved.

395
00:44:19.920 --> 00:44:30.270
Town of Amboy: That the school district will go from paying \$1,000 a year to \$75,000 a year for one.

396
00:44:31.980 --> 00:44:38.190
Town of Amboy: And State law says that all of the municipalities.

397
00:44:39.270 --> 00:44:42.210
Town of Amboy: involved with that school district because gets spread.

398
00:44:45.390 --> 00:44:46.050
Town of Amboy: So.

399
00:44:47.160 --> 00:44:52.560
Town of Amboy: I actually am looking for information on whether that's going to happen or not.

400
00:44:53.910 --> 00:44:54.480
Because.

401

00:44:57.150 --> 00:45:08.610

Town of Amboy: If the school district gets charged that it's going to fall, the taxpayers and the taxpayers who do not live in parish do not have an opportunity to.

402

00:45:10.440 --> 00:45:11.520

Town of Amboy: have a problem with that.

403

00:45:14.280 --> 00:45:20.850

Town of Amboy: So now, are they doing their own water are they hoping that he already turned away Joe have clover.

404

00:45:21.930 --> 00:45:34.740

Town of Amboy: I know that there is a huge expense and you know they're doing all this work on it, but if it's going to and i'm quoting from the newspaper The 79,000 develop.

405

00:45:35.970 --> 00:45:39.810

Town of Amboy: I have a problem with us having to pay for water that we will never have.

406

00:45:42.060 --> 00:45:47.520

Town of Amboy: And I don't understand how the cost could go from 1000 to 75,000.

407

00:45:48.870 --> 00:45:51.390

Town of Amboy: Do you know anything about that pole or soon.

408

00:46:06.060 --> 00:46:10.800

Town of Amboy: Sue Latino ya know Sue is unmuted so she can speak if you wanted to but.

409

00:46:15.480 --> 00:46:22.320

Town of Amboy: I can, I can say a little bit, but i'm not sure where the number of the thousand dollars a year is coming from currently.

410

00:46:25.170 --> 00:46:33.540

Town of Amboy: The superintendent and i'm not sure where they're coming up with the number of \$1,000 currently because currently they're being provided with water and not.

411

00:46:34.050 --> 00:46:44.880

Town of Amboy: Again, not being charged anything for water, but the cost of them operating their own water system is more than \$1,000 a year significantly more.

412

00:46:46.110 --> 00:46:46.320
yeah.

413

00:46:48.420 --> 00:46:59.010
Town of Amboy: The the \$75,000 number is based on the higher number of units, they were assessed in I don't know on what they are not assessed, but potentially assessed for since.

414

00:47:00.330 --> 00:47:04.050
Town of Amboy: They don't have the units at this point I don't think.

415

00:47:05.850 --> 00:47:16.140
Town of Amboy: They had a an external consultant come in there, one of the points of difficulty, I understand, school districts, send out a mailing to everybody to let them know about that and.

416

00:47:17.610 --> 00:47:34.470
Town of Amboy: There was a significant change in the number of units that they were to be assessed for the water district between the earlier time and the current time, based on work of the current consultants are consultants to the project and it's on that basis that.

417

00:47:35.820 --> 00:47:43.020
Town of Amboy: They would be assessed more costs and they were originally thought that they they would be and you'd have to ask the consultants.

418

00:47:44.220 --> 00:48:06.300
Town of Amboy: On what basis they made that change I can't speak to that, but I know there would be some additional expense, but, as you probably heard the referendum was defeated, to increase the spending for the proposed water system so right now the water system is up in the air as to what.

419

00:48:06.330 --> 00:48:07.320
Town of Amboy: Future it has.

420

00:48:07.440 --> 00:48:13.650
Town of Amboy: And how it will proceed the parish village board is this Wednesday.

421

00:48:14.760 --> 00:48:17.640

Town of Amboy: The Parish town board is this Thursday.

422

00:48:19.020 --> 00:48:26.550

Town of Amboy: I know the village has been talking about possibly pursuing this independently if the district cannot or does not proceed.

423

00:48:27.660 --> 00:48:39.180

Town of Amboy: I don't know what the hounds intentions are, I know, several of the town board members have been significantly concerned by the or all costs of the project and it's escalation.

424

00:48:40.380 --> 00:48:51.120

Town of Amboy: So both those meetings are available via zoom if you go to their websites they're very much the format of your website it's village of parish dash ny.us.

425

00:48:51.870 --> 00:49:08.790

Town of Amboy: And town of parish dash ny.us they are being offered via zoom you can certainly stay right home and the tenement observed them if you care to listen in on what their discussions are and getting.

426

00:49:10.500 --> 00:49:23.880

Town of Amboy: The insights there might be on how they're planning on moving forward after the referendum went down that was march 1 so the only reason that I brought it up is taxpayer brought it up to me and.

427

00:49:25.950 --> 00:49:28.320

it's a lot of money that we would.

428

00:49:29.400 --> 00:49:30.840

have to be assessed for.

429

00:49:31.980 --> 00:49:37.830

Town of Amboy: With the school district, well, we have to save money for water, no, I mean.

430
