00:01:50.310 --> 00:01:51.570  
Town of Amboy Planning Board: Take a little bit more time.

24

00:01:53.100 --> 00:01:56.670

Town of Amboy Planning Board: Right now, for over 90 days and then much choice.

77  
00:06:52.860 --> 00:06:53.160

00:06:54.960 --> 00:07:01.440  
Town of Amboy Planning Board: and go ahead on the other thing it was talking about town, we may have a site reviews coming in.

79  
00:07:02.730 --> 00:07:07.830  
Town of Amboy Planning Board: there's time there's one product that I believe is done that, at.

80  
00:07:09.390 --> 00:07:11.400  
I office.

81  
00:07:12.870 --> 00:07:15.390  
Town of Amboy Planning Board: coordinator, our first.

82  
00:07:17.490 --> 00:07:20.250  
son the things he wants to go.

83  
00:07:27.000 --> 00:07:29.220  
Through all that.

84  
00:07:30.390 --> 00:07:31.890  
meant something to the board.

85  
00:07:36.240 --> 00:07:42.690  
Town of Amboy Planning Board: That is the only private I know this, it seems more successful on but.

86  
00:07:45.420 --> 00:07:51.810

Town of Amboy Planning Board: On that stuff so when it first comes up we'll have to make that prior we.

87

00:07:53.460 --> 00:07:54.360

Just paraphrase.

88

00:07:58.410 --> 00:08:02.550

Town of Amboy Planning Board: My plan my plan my site plan coming through.

89

00:08:03.630 --> 00:08:05.280

Town of Amboy Planning Board: I said, if we have a site plan.

90

00:08:08.370 --> 00:08:15.180

Town of Amboy Planning Board: yeah yeah have to repeat myself, but that would also take prior to this we're doing here.

91

00:08:16.770 --> 00:08:19.590

Town of Amboy Planning Board: So we'll see what happens when it comes to that so.

92

00:08:21.240 --> 00:08:21.840

crazy else.

93

00:08:27.150 --> 00:08:28.980

Town of Amboy Planning Board: don't want to get into this don't.

94

00:08:31.140 --> 00:08:32.520

Town of Amboy Planning Board: You go ahead okay.

95

00:08:33.570 --> 00:08:37.890

Town of Amboy Planning Board: That was trying to be the devil's advocate for a.

96

00:08:40.350 --> 00:08:47.760

Town of Amboy Planning Board: person coming in talking about war torn down we're talking about changing was only about for.

97

00:08:49.230 --> 00:08:50.070

Town of Amboy Planning Board: A second.

98

00:08:52.110 --> 00:08:54.390

Town of Amboy Planning Board: If we have a hearing definitely have to.

99

00:08:55.710 --> 00:09:01.470

Town of Amboy Planning Board: Somehow show them a thing you know what like a small so look you.

100

00:09:01.470 --> 00:09:04.260

david marzolf: Know example of a small solar solar.

101

00:09:04.770 --> 00:09:10.290

Town of Amboy Planning Board: So they can get an idea that we're not stopping prosperity and ever.

102

00:09:11.700 --> 00:09:27.930

Town of Amboy Planning Board: eaten or you know, like the next one people like when I go by solar is your farm i'm like and there's an old farm whatever even an old farm ton of them involve themselves in everybody seems to have like 10 acres of solar.

103

00:09:29.370 --> 00:09:29.700

Town of Amboy Planning Board: But.

104

00:09:31.200 --> 00:09:40.050

Town of Amboy Planning Board: it's you know I think oh good they don't have to sell their land, you know have some he says that's really ugly but then half of me thinks.

105

00:09:40.800 --> 00:09:59.130

Town of Amboy Planning Board: Well, at least they didn't have to sell their land to pay their taxes and stuff like that, so do one next door and no no that's the thing like we want is there are some something about sides, we should think about or not i'm logged.

106

00:10:01.050 --> 00:10:20.040

Town of Amboy Planning Board: In as far as what you're seeing be under the under the E, they all seem to look like they're below so that makes me think and they're right in the middle of residential because you know baldwin's was all rolled around it, so that makes it like in my head if there's something that.

107

00:10:21.420 --> 00:10:25.770

Town of Amboy Planning Board: they're getting by with with that will eat with some kind of a.

108

00:10:27.720 --> 00:10:30.570

Town of Amboy Planning Board: There must be something that's making this.

109

00:10:32.610 --> 00:10:34.080

Town of Amboy Planning Board: Appealing yeah because they're.

110

00:10:35.100 --> 00:10:39.810

Town of Amboy Planning Board: Young chiropractor wobble Joan it's like oh my.

111

00:10:40.860 --> 00:10:43.950

Town of Amboy Planning Board: You know, five months or so, but yeah and they're all.

112

00:10:46.650 --> 00:10:47.760

Town of Amboy Planning Board: You know more.

113

00:10:48.780 --> 00:10:51.690

Town of Amboy Planning Board: about the same size, so I haven't you know.

114

00:10:53.460 --> 00:10:56.970

Town of Amboy Planning Board: I was also thinking you know people always say this.

115

00:10:58.410 --> 00:10:58.680

Town of Amboy Planning Board: You know.

116

00:10:59.880 --> 00:11:09.390

Town of Amboy Planning Board: people that have an air filter you know earn an agricultural desert can do anything, well, I was impressed by.

117

00:11:10.920 --> 00:11:18.840

Town of Amboy Planning Board: The New York State Department bag or markets had very, very seems pretty thorough.

118

00:11:20.820 --> 00:11:21.300

Town of Amboy Planning Board: Of.

119

00:11:22.800 --> 00:11:24.660

Town of Amboy Planning Board: Of so or whatever that anymore.

120

00:11:25.980 --> 00:11:36.210

Town of Amboy Planning Board: If somebody next to me say the word Angus or said start to build on it would fall under ag and markets because it's another 500 people.

121

00:11:37.290 --> 00:11:39.030

Town of Amboy Planning Board: So it's actually people think.

122

00:11:41.220 --> 00:11:49.890

Town of Amboy Planning Board: Protection or something or nobody in this is pretty in depth include monitoring and this sound like that you know.

123

00:11:51.990 --> 00:11:59.550

Town of Amboy Planning Board: and not to go into like trying soils and all that stuff which is going to happen training.

124

00:12:02.670 --> 00:12:02.970

Right.

125

00:12:04.320 --> 00:12:07.170

Town of Amboy Planning Board: Now this is an official paper from them.

126

00:12:09.660 --> 00:12:18.210

Town of Amboy Planning Board: Rather than the whole thing when we get down to the nitty gritty say we, we have to also work on the auspices of our management.

127

00:12:20.430 --> 00:12:23.040

Town of Amboy Planning Board: be rather easier to have a handout.

128

00:12:25.680 --> 00:12:27.480

Town of Amboy Planning Board: about looking at only publish.

129

00:12:28.920 --> 00:12:29.370

Town of Amboy Planning Board: mercial bye bye.

131

00:12:40.170 --> 00:12:40.980

Town of Amboy Planning Board: depending on where it.

132

00:12:44.490 --> 00:12:45.030

Town of Amboy Planning Board: was coming.

133

00:12:49.770 --> 00:12:54.180

Town of Amboy Planning Board: And I was looking at the telecommunications powers section of loaning.

134

00:12:55.980 --> 00:13:01.200

Town of Amboy Planning Board: I mean you just kind of go through the same type of sections.

135

00:13:03.630 --> 00:13:06.600

Town of Amboy Planning Board: But they might more correspond with us.

136

Town of Amboy Planning Board: That.

152  
00:14:44.640 --> 00:14:47.190  
Town of Amboy Planning Board: recollection of that and kind of get  
maturity so.

153  
00:14:49.170 --> 00:14:53.850  
Town of Amboy Planning Board: there's a 45 and 46 or something somewhere,  
instead of.

154  
00:14:55.890 --> 00:14:57.330  
Town of Amboy Planning Board: me to take the place of article.

155  
00:14:59.970 --> 00:15:01.770  
david marzolf: Before yeah it takes placement.

156  
00:15:02.190 --> 00:15:02.460  
yeah.

157

00:15:03.570 --> 00:15:04.560

Town of Amboy Planning Board: And this section.

158

00:15:06.120 --> 00:15:27.300

Town of Amboy Planning Board: is happy to call soccer little paper 14 going into the you know the scale there's Community scale utility scale and then it does the 1930s down, and it seems like the matter lots or what you know this kind of large or small, so.

159

00:15:27.390 --> 00:15:30.840

Town of Amboy Planning Board: that's the brand, this is only the past philly tech.

160

00:15:32.340 --> 00:15:40.140

Town of Amboy Planning Board: But in there, but I I couldn't see what was like i'm looking at those tiny little bottles or whatever, or even the one of the most thorough.

161

00:15:41.400 --> 00:15:41.820

What.

162

00:15:42.870 --> 00:15:44.910

Town of Amboy Planning Board: What megawatt how do I, like I can't.

163

00:15:46.080 --> 00:15:53.790

Town of Amboy Planning Board: Was there doing it depends on the panel to the number of animals all connected and amount of gems me two.

164

00:15:54.900 --> 00:16:13.140

Town of Amboy Planning Board: hours is ours or residential, so there are relatively low megawatt you know they came in and said, what are your run with it and there's A, B and they and then people buy because the stock version, if I hire us last panel to fire megawatt.

165

00:16:14.700 --> 00:16:22.200

Town of Amboy Planning Board: So how many camels you're going to need and what each panel will be a megawatt and yet selling out because in the.

166

00:16:23.310 --> 00:16:28.440

Town of Amboy Planning Board: Building when it said about the Community solar, it seemed like it was.

167

00:16:29.550 --> 00:16:36.270

Town of Amboy Planning Board: So that's what the term I use it was for anything like under five megawatt.

168

00:16:37.680 --> 00:16:44.760

Town of Amboy Planning Board: Look fell on her community and then so anything over five fell on their utility.

169

00:16:45.840 --> 00:16:55.800

Town of Amboy Planning Board: As well and see there's and then there's another difference between the commercial license my are my house with my utilities, I think, ours are seven.

170

00:16:57.660 --> 00:17:05.760

Town of Amboy Planning Board: So that'll be something that would have to think about whether we want to have site plan review for.

171

00:17:06.900 --> 00:17:11.310

Town of Amboy Planning Board: I mean I don't fall under any new you know commercial like book.

172

00:17:12.660 --> 00:17:17.370

Town of Amboy Planning Board: By the time that's changed commercials every probably halfway around.

173

00:17:19.800 --> 00:17:21.810

Town of Amboy Planning Board: They have an engineer command.

174

00:17:26.550 --> 00:17:31.620

Town of Amboy Planning Board: It was residential or a folder and they decide.

175

00:17:33.060 --> 00:17:39.360

Town of Amboy Planning Board: When it comes to ourselves, looking at all the website when you're not gonna have any saying.

176

00:17:40.110 --> 00:17:49.290

Town of Amboy Planning Board: Whenever you're not going to have an exciting once it's already going to be an American here's what they're asking for and it's the same thing that we get to the site, then.

177

00:17:50.070 --> 00:18:05.190

Town of Amboy Planning Board: we're not going to have an exciting besides they they do that when they enter and seems like the queue and this one most communities skills or is like our small scale solar the utility.

178

00:18:06.240 --> 00:18:13.680

Town of Amboy Planning Board: startups so they can change, they can change the size and density the cash, so I don't know.

179

00:18:15.000 --> 00:18:20.340

Town of Amboy Planning Board: And that's, you know as ours are relatively on a date now because they've been there for years so.

180

00:18:23.010 --> 00:18:23.460

What.

181

00:18:25.560 --> 00:18:26.190

Town of Amboy Planning Board: Was.

182

00:18:27.990 --> 00:18:30.030

Town of Amboy Planning Board: going to divide the one with the solar.

183

00:18:31.470 --> 00:18:35.790

Town of Amboy Planning Board: lantern I would say we should do like we've got the telecommunications covers.

184

00:18:36.810 --> 00:18:42.960

Man do like a partial page for solar beach for when we can send you that.

185

00:18:45.270 --> 00:18:46.200

Town of Amboy Planning Board: You talked about.

186

00:18:49.380 --> 00:18:55.350

Town of Amboy Planning Board: like an hour, so we have Article eight is communications and an article neither bond for installation.

187

00:18:59.970 --> 00:19:03.300

Town of Amboy Planning Board: But we just have I don't think we, we are under solar, so it could.

188

00:19:04.620 --> 00:19:05.940

pick that section.

189

00:19:09.150 --> 00:19:29.160

Town of Amboy Planning Board: Well, if I just don't have the low points date and made up here, these are basically the concerns are going to

happen before I don't think drinking Aaron is one of my colleagues works what works at rather than a year ago we've done them before we found this out here.

190

00:19:30.300 --> 00:19:40.410

Town of Amboy Planning Board: Well, good with this we're just going to educate everybody, but educate us, we can educate them before anything gets written up because we won't have to be accused of staffing something.

191

00:19:44.340 --> 00:19:50.550

Town of Amboy Planning Board: saving money meeting, but you know there's a lot of things that people.

192

00:19:51.720 --> 00:19:54.240

Town of Amboy Planning Board: should know monitor are leading the charge.

193

00:19:55.590 --> 00:19:58.830

Town of Amboy Planning Board: In far from such as a tax assessment.

194

00:20:00.090 --> 00:20:01.590

Town of Amboy Planning Board: We will change, depending on the.

195

00:20:02.640 --> 00:20:08.280

Town of Amboy Planning Board: system they put him in a comprehensive plan clearly have.

196

00:20:09.600 --> 00:20:26.940

Town of Amboy Planning Board: me I was happy for those because you know what everybody wants to own character of love and the ag and markets one if it has to do with that kind of covers all that you know his arms screaming and making sure the tap eulless.

197

00:20:28.470 --> 00:20:29.280

tactile.

198

00:20:31.500 --> 00:20:35.010

Town of Amboy Planning Board: I know one thing that Chris F and find out to me.

199

00:20:36.270 --> 00:20:41.580

just talking to him general office, and he says, there are certain.

200

00:20:43.530 --> 00:20:45.900

Town of Amboy Planning Board: Things that they have to do, inserting.

201

00:20:47.430 --> 00:20:51.870

Town of Amboy Planning Board: Solar one of the you know substitutions and so on.

202

00:20:53.010 --> 00:20:54.780

So that's an issue to.

203

00:20:55.950 --> 00:20:59.010

Town of Amboy Planning Board: And substitutions themselves, I know.

204

00:21:00.210 --> 00:21:05.610

Town of Amboy Planning Board: Many people simply put in solar farm and we don't want them.

205

00:21:06.840 --> 00:21:21.510

Town of Amboy Planning Board: going to pick that up you know look it up it's not the way it happens, although they do get it approved family any development or anything when you build a house he still have to get approval for national rugby push up to the power they don't just.

206

00:21:23.220 --> 00:21:25.140

Town of Amboy Planning Board: put up there either one.

207

00:21:28.470 --> 00:21:28.860

But.

208

00:21:30.090 --> 00:21:38.850

Town of Amboy Planning Board: I know the capacitor events that they Hastings and they can come in our proposal, one of the things that they have required.

209

00:21:40.140 --> 00:21:49.380

The company to be recertified their fire department, with the proper equipment and also do training, because the lithium.

210

00:21:50.820 --> 00:21:54.750

surveys that are also stole on these installations and.

211

00:21:56.100 --> 00:21:59.340

score the power before it goes to a substation.

212

00:22:00.360 --> 00:22:01.200

They.

213

00:22:02.610 --> 00:22:14.190

Town of Amboy Planning Board: There is the possibility that, if it were to goal planning something were to happen to it you're dealing with samples of the type of player that you're technically, not a foot for.

214

00:22:15.540 --> 00:22:16.260

For Internet.

215

00:22:17.370 --> 00:22:26.220

Town of Amboy Planning Board: can be built into in my surfing today was kind of like actionable and reliable, you know just surfer also.

216

00:22:27.240 --> 00:22:30.540

Town of Amboy Planning Board: The big thing is the like California, is trying to run.

217

00:22:32.430 --> 00:22:51.840

Town of Amboy Planning Board: send out of spam the old hands like not have it be a dump in their state so that's becoming a bigger issue of their own last like you know 10 years old technology changes, like all those panelists are full of bad things and there's a girl problem or 20 years.

218

00:22:53.490 --> 00:22:58.530

Town of Amboy Planning Board: You know 10 becomes and then on that so also.

219

00:23:00.150 --> 00:23:10.530

Town of Amboy Planning Board: The front of the installation of falls into small but then they upgrade their panels is producing more power that would be considered a.

220

00:23:11.790 --> 00:23:27.840

Town of Amboy Planning Board: Like a larger salon installation, how would we handle that when I would think that we would have to have some sort of site plan review of is being operated or something like that so we're kind of aware of it.

221

00:23:29.040 --> 00:23:35.280

Town of Amboy Planning Board: That that necessarily that we can stop doing it, but maybe.

222

00:23:37.230 --> 00:23:50.280

Town of Amboy Planning Board: Whatever changes go on, we should be a aware of, and then also what could have happened well that's why so forth, you know that necessarily the.

223

00:23:52.320 --> 00:23:59.760

Town of Amboy Planning Board: landowner you know it's gonna be his particular problem at that point that it would be the town's would be fire departments.

224

00:24:01.080 --> 00:24:02.940

Town of Amboy Planning Board: Make sure that when I say.

225

00:24:04.020 --> 00:24:05.400

that one of the things.

226

00:24:08.070 --> 00:24:29.610

Town of Amboy Planning Board: That i've seen other talents, be this one reviewing us, as it is suddenly out of our scope of really being able to review and what reports are a lot of things that go into that they would have to pay for our engineering teams, or are we do I know they have an engineer, but we still have.

227

00:24:32.520 --> 00:24:36.930

Town of Amboy Planning Board: And I know other towns that setup fees that they would be.

228

00:24:42.540 --> 00:24:44.190

Town of Amboy Planning Board: mean a good look like.

229

00:24:46.590 --> 00:24:46.920

Town of Amboy Planning Board: When.

230

00:24:49.050 --> 00:24:51.360

Town of Amboy Planning Board: The potential location for solar development.

231

00:24:52.680 --> 00:24:52.920

Town of Amboy Planning Board: or.

232

00:24:54.540 --> 00:25:02.970

Town of Amboy Planning Board: They you know there's a lot, a lot of y'all little possible spots and Jefferson county but, like Mr.

233

00:25:06.600 --> 00:25:06.900

yeah.

234

00:25:08.880 --> 00:25:11.670

Town of Amboy Planning Board: yeah and then this point of view that.

235

00:25:12.690 --> 00:25:16.590

Town of Amboy Planning Board: are nothing on there, right now, but they'll probably show.

236

00:25:18.180 --> 00:25:18.930

yourself.

237

00:25:32.370 --> 00:25:32.640

Sir.

238

00:25:36.030 --> 00:25:36.480

Thank you.

239

00:25:43.500 --> 00:25:49.620

Town of Amboy Planning Board: Then going down through quickest way to do it tonight so maybe then we can provide help some projects are.

240

00:25:51.720 --> 00:25:56.370

Obviously, the second aspect of a character mentality, going back to the.

241

00:25:57.780 --> 00:26:02.100

Town of Amboy Planning Board: plan on the decommissioning and I think is really important.

242

00:26:03.180 --> 00:26:09.630

Town of Amboy Planning Board: And such facility and planning for the decommission make sure that's.

243

00:26:11.250 --> 00:26:21.660

Town of Amboy Planning Board: involved there basically well you know it's going to be do landowners problem, a company goes one of the fund owner.

244

00:26:23.190 --> 00:26:29.370

Town of Amboy Planning Board: In what I recommend doing the same thing you know we get somebody who wants to pay taxes on the left hand.

245

00:26:30.540 --> 00:26:36.180

Town of Amboy Planning Board: And they're going to be able to do this because of what they get from the lighter.

246

00:26:37.260 --> 00:26:54.900

Town of Amboy Planning Board: But if something happens to the company and they just pull up or you know who we are comes back, and then they couldn't afford to take care of the land, again with without this about the mission and stuff so, then you get a plan and over the past, say, well, one on one.

247

00:26:56.610 --> 00:27:00.240

Town of Amboy Planning Board: With the tags now somebody else get a response before.

248

00:27:01.260 --> 00:27:03.240

Town of Amboy Planning Board: So that's where the town and county.

249

00:27:04.590 --> 00:27:14.790

State, I guess, to some extent it's about also so you better make sure that the commissioning planning is set forth.

250

00:27:16.140 --> 00:27:20.790

Town of Amboy Planning Board: On Iran it's don't insert a plant or that's one thing that.

251

00:27:22.050 --> 00:27:22.350

This.

252

00:27:24.360 --> 00:27:26.730

Town of Amboy Planning Board: For him as much as prepared us in the long run.

253

00:27:30.840 --> 00:27:42.630

Town of Amboy Planning Board: Health in general welfare Those are just all bits and pieces out of the moratorium right now to get taken back and, in fact, that this point, right now, it doesn't really take into effect.

254

00:27:44.760 --> 00:27:45.810

In the US.

255

00:27:47.100 --> 00:27:47.370

So.

256

00:27:48.570 --> 00:27:53.460

that's facing, we have to international affairs talk about that we have on with Karen.

257

00:27:58.890 --> 00:27:59.070

It.

258

00:28:02.790 --> 00:28:05.220

Town of Amboy Planning Board: Was it was interesting was the.

259

00:28:07.950 --> 00:28:08.700

Town of Amboy Planning Board: workshop.

260

00:28:11.310 --> 00:28:18.450

Town of Amboy Planning Board: Somewhere somewhere down the road, I think, in our answer questions we start learning the answers right now.

261

00:28:20.730 --> 00:28:21.060

Right.

262

00:28:22.590 --> 00:28:23.220

Town of Amboy Planning Board: So our next.

263

00:28:24.720 --> 00:28:25.560

workshop.

264

00:28:26.700 --> 00:28:35.100

Town of Amboy Planning Board: You basically need to finalize things next to me and we only have two meetings, the day.

265

00:28:36.480 --> 00:28:40.020

Town of Amboy Planning Board: 90 days or whatever before.

266

00:28:43.950 --> 00:28:51.960

Town of Amboy Planning Board: He said the gop actually back to meetings, because it's 90 days in the town where we are out there meeting is going to be the word.

267

00:28:53.760 --> 00:29:09.000

Town of Amboy Planning Board: A lead any day is actually runs out the day before the July town board meeting you would need to refer a finalized proposal to them, prior to the town boards June meeting for them to be able to review it.

268

00:29:10.080 --> 00:29:17.220

Town of Amboy Planning Board: And that's assuming that they accept it, if they don't then you're out the window you've already got a passing a little more curious.

269

00:29:18.870 --> 00:29:27.150

Town of Amboy Planning Board: If they didn't accept it and you need to get to them before the meeting, so that they can review it prior to the June meeting and effect on it i'm scheduling the.

270

00:29:27.900 --> 00:29:40.620

Town of Amboy Planning Board: public hearing for the local law at the June for presumably further July meeting like I said you'd be missing the period of the moratorium by one day, but if they could pass it that night I guess you'd probably be okay.

271

00:29:41.700 --> 00:29:44.310

Town of Amboy Planning Board: But yeah you need to finalize things next month.

272

00:29:45.960 --> 00:29:48.960

Town of Amboy Planning Board: that's what you're that's what 90 days means yeah well that's.

273

00:29:51.390 --> 00:29:59.280

Town of Amboy Planning Board: You know that's fine but down here I mean i'm draeger for you, but you know, to get everything all here and do everything that's.

274

00:30:00.690 --> 00:30:02.010

Town of Amboy Planning Board: everybody in this room.

275

00:30:02.310 --> 00:30:03.090

Town of Amboy Planning Board: On Dave you're on.

276

00:30:04.290 --> 00:30:04.560

Town of Amboy Planning Board: A.

277

00:30:06.000 --> 00:30:13.650

Town of Amboy Planning Board: very tight we'd have to work 20 hours a day or the darn thing right for that so and we don't have to have the here.

278

00:30:15.810 --> 00:30:16.290

Town of Amboy Planning Board: don't worry.

279

00:30:18.750 --> 00:30:22.500

Town of Amboy Planning Board: We have a public hearing on the proposal local law at their July meeting.

280

00:30:24.060 --> 00:30:28.890

Town of Amboy Planning Board: Or, they would or they could set things in motion at the June being to pass another monitoring.

281

00:30:30.480 --> 00:30:34.050

Town of Amboy Planning Board: For 990 days or hundred 80 days or whatever they chose.

282

00:30:37.230 --> 00:30:48.360

Town of Amboy Planning Board: That there's any chance they didn't have a consensus forming the proposal at the true meaning they should have a numerator in line and they can act on and do that at the two I mean.

283

00:30:51.750 --> 00:30:52.470

Town of Amboy Planning Board: Are you saying.

284

00:30:53.670 --> 00:30:59.730

Town of Amboy Planning Board: i'm saying exactly what I said, you need to me by the I know I know I know that.

285

00:31:00.780 --> 00:31:17.280

Town of Amboy Planning Board: If your timeline is if they do not accept it at the June meeting if they have questions that they want more time to take a look at it, they need to have a moratorium look a lot in hand at the July meeting to have a public hearing on and tasks at the July meeting.

286

00:31:20.130 --> 00:31:29.070

Town of Amboy Planning Board: Now to run out of time, so there's a Monday Monday July 19 your outcome of the moratorium and the game again.

287

00:31:37.380 --> 00:31:37.950  
Town of Amboy Planning Board: and

288  
00:31:39.570 --> 00:31:42.600  
We structured this we're just keep working on.

289  
00:31:44.130 --> 00:31:46.470  
Town of Amboy Planning Board: A big one would get up the owner of commercial.

290  
00:31:47.490 --> 00:31:50.430  
Town of Amboy Planning Board: And if somebody during the war torn design.

291  
00:31:51.480 --> 00:31:56.370  
Town of Amboy Planning Board: But a big fire wherever we still get the review of under version.

292  
00:31:59.340 --> 00:32:01.950  
Town of Amboy Planning Board: We already have their telecommunications.

293  
00:32:03.090 --> 00:32:10.290  
Town of Amboy Planning Board: And I know as an animal mail, if we take what we have in place the telecommunications and we.

294  
00:32:11.340 --> 00:32:20.280  
Town of Amboy Planning Board: may be similar to what we've already got a structured only getting the linear structure and using the state, the state thing there.

295  
00:32:21.810 --> 00:32:27.600  
Town of Amboy Planning Board: And i'm sure it goes through the sound we have enough, I still have.

296  
00:32:28.950 --> 00:32:34.050  
Town of Amboy Planning Board: Much time, but at least it's not as much work as I started the beginning.

297  
00:32:35.070 --> 00:32:39.300  
Town of Amboy Planning Board: there's also stuff about sharing setbacks general that are plaguing.

298  
00:32:40.410 --> 00:32:45.240

Town of Amboy Planning Board: Design signs meditation screening doesn't actually.

299

00:32:47.730 --> 00:32:55.740

Town of Amboy Planning Board: be surprised if you look on their commercial that there's not already New York state planning something in place like that.

300

00:32:56.820 --> 00:33:00.390

Town of Amboy Planning Board: Where we can reference these the actual.

301

00:33:04.020 --> 00:33:06.090

Town of Amboy Planning Board: say all of these guys.

302

00:33:07.380 --> 00:33:12.750

Town of Amboy Planning Board: hey within those restrictions this this and right and then it's going to come and find.

303

00:33:15.030 --> 00:33:15.450

Town of Amboy Planning Board: You and.

304

00:33:17.400 --> 00:33:21.360

Town of Amboy Planning Board: i'm still in a tight space, but we're not like we're starting from ground zero.

305

00:33:23.040 --> 00:33:27.870

Town of Amboy Planning Board: are not being met and feel we're just trying to take the wheel and make it Square and no time.

306

00:33:28.890 --> 00:33:37.080

Town of Amboy Planning Board: anymore spokes anymore folks to me we're taking the wheel apart anymore folks and maybe working in doing it.

307

00:33:38.550 --> 00:33:49.650

Town of Amboy Planning Board: Of course nobody wants me neither the nobody wants environment, you know some going to be completely destroy that can ever get back, I mean, as you know, the usual stuff.

308

00:33:50.310 --> 00:34:00.810

Town of Amboy Planning Board: Right and I understand we can we can pitch and more letters this thing was the same one big mentioning in the decommissioning about the towers.

309

00:34:03.300 --> 00:34:05.070  
Let me wonder if that's in with the.

310  
00:34:06.720 --> 00:34:07.350  
Town of Amboy Planning Board: maintenance.

311  
00:34:08.580 --> 00:34:17.190  
Town of Amboy Planning Board: I don't think anyone radiation additional security no inspection and it's very traditional financial security you're done.

312  
00:34:19.890 --> 00:34:30.360  
Town of Amboy Planning Board: So our operators have provided demolition bond or other security acceptable to the account for the purpose of removing the facility in case the applicant follows.

313  
00:34:31.590 --> 00:34:37.770  
Town of Amboy Planning Board: Films fails to do so, whatever revocation expiration of a nonrenewable special use permit.

314  
00:34:38.820 --> 00:34:43.980  
Town of Amboy Planning Board: So we we've already got some verbiage you just have to adjust the verbiage.

315  
00:34:44.910 --> 00:34:53.010  
Town of Amboy Planning Board: So if we got if we gave myself an extra half an hour or whatever at the next meeting, and we sat down, we have an hour nap.

316  
00:34:53.310 --> 00:35:09.420  
Town of Amboy Planning Board: Whatever really and we sat down and we all kind of brought together our thoughts on if this commerce and not for what we want to be at the end and we'll have a commercial one see if it's there and then we just made our verbiage fit van Allen.

317  
00:35:10.980 --> 00:35:21.840  
Town of Amboy Planning Board: make a sentence it's a short time better welcome to reach out, we got one week one week, so we have to have it ready next evening, as well as you know.

318  
00:35:24.480 --> 00:35:25.170  
Town of Amboy Planning Board: We don't worry.

319  
00:35:26.550 --> 00:35:28.680

Town of Amboy Planning Board: Assembly to try yeah.

320

00:35:37.200 --> 00:35:54.390

Town of Amboy Planning Board: But we don't really we're not we were like we don't really have to, because we know that we can look at new merchants so it's not like somebody you know perched over there, waiting to put in, you know 3000 or solar May.

321

00:35:55.800 --> 00:35:59.490

Town of Amboy Planning Board: Well, be truthful I think within a concern about so.

322

00:36:02.760 --> 00:36:07.500

Town of Amboy Planning Board: When for here and they they have you know they have studied and I said.

323

00:36:10.860 --> 00:36:13.110

Town of Amboy Planning Board: You know they've done enough studies, where they were they were.

324

00:36:15.330 --> 00:36:19.890

Town of Amboy Planning Board: Well that's why I said i'm wondering if you separate them into stand up to the solar now.

325

00:36:22.650 --> 00:36:26.460

Town of Amboy Planning Board: You can match that gives us at least a couple lesson I don't say.

326

00:36:33.780 --> 00:36:41.010

Town of Amboy Planning Board: So we don't worry about offshore a doctor daughter during planning board meetings would be.

327

00:36:43.110 --> 00:36:54.900

Town of Amboy Planning Board: There right so just during planning for a little one yep so let's plan on you know working getting the information we think they need to tell everybody our path to happiness.

328

00:36:56.280 --> 00:37:07.560

Town of Amboy Planning Board: Assuming it's the latest and greatest 13 and 2013 was the last time right, but this data can be interested in hearing.

329

00:37:10.800 --> 00:37:23.610

Town of Amboy Planning Board: about it and that's all we got a month for each one of us to sit down and end dates that are bigger than away sit down and kind of figure out what we want in there and then we'll compare them all on the government.

330

00:37:25.410 --> 00:37:30.360

Town of Amboy Planning Board: If we all need live just the solar and we each already have something in front of us.

331

00:37:32.010 --> 00:37:37.380

Town of Amboy Planning Board: Like we can brainstorm a four or five of our papers economics yeah this is good.

332

00:37:40.020 --> 00:37:45.600

Town of Amboy Planning Board: And then we should also look at least parishes on and to Santa.

333

00:37:47.190 --> 00:37:47.670

Town of Amboy Planning Board: Santa.

334

00:37:48.930 --> 00:37:51.870

Town of Amboy Planning Board: Santa solar plump.

335

00:37:53.580 --> 00:37:58.830

Town of Amboy Planning Board: estancia pastor silver bullet for women, solar are covered in there.

336

00:38:00.060 --> 00:38:03.030

Town of Amboy Planning Board: yeah so those would be two good examples.

337

00:38:07.980 --> 00:38:12.840

Town of Amboy Planning Board: sandwiches I think you can yeah I think I did to say yeah I think that's.

338

00:38:15.810 --> 00:38:16.050

A.

339

00:38:19.380 --> 00:38:19.950

Town of Amboy Planning Board: Good one.

340

00:38:25.110 --> 00:38:28.020

Town of Amboy Planning Board: yeah that's right yeah yeah but that's where I got.

341

00:38:29.310 --> 00:38:29.880

One from.

342

00:38:31.440 --> 00:38:31.860

Town of Amboy Planning Board: yeah.

343

00:38:33.660 --> 00:38:34.320

Town of Amboy Planning Board: Several.

344

00:38:35.610 --> 00:38:42.300

Town of Amboy Planning Board: If we look these over and get some of this stuff take some out there that are coming like right right.

345

00:38:43.980 --> 00:38:44.820

Town of Amboy Planning Board: already got the structure.

346

00:38:51.150 --> 00:38:51.930

Town of Amboy Planning Board: That sounds like.

347

00:38:53.580 --> 00:38:56.160

Town of Amboy Planning Board: me see that's the quickest way we're going to do this.

348

00:39:01.230 --> 00:39:02.580

One longer meeting.

349

00:39:09.420 --> 00:39:10.770

Town of Amboy Planning Board: turns okay with you.

350

00:39:11.970 --> 00:39:18.480

david marzolf: yeah it sounds like you got a couple of good references to go by, so i'm sure you'll do a good job with it.

351

00:39:27.660 --> 00:39:28.470

Town of Amboy Planning Board: Was everybody.

352

00:39:40.680 --> 00:39:41.370

information.

353

00:39:44.940 --> 00:39:45.690

Internal.

354

00:39:47.460 --> 00:39:53.550

Town of Amboy Planning Board: Anybody find something they want a shirt on the bed or two yeah.

355

00:39:55.980 --> 00:39:56.010

compliance.

356

00:40:05.670 --> 00:40:06.750

So gather.

357

00:40:08.130 --> 00:40:10.560

employers to action.

358

00:40:15.600 --> 00:40:20.130

Town of Amboy Planning Board: You got everything you need and i'll send everybody.

359

00:40:21.210 --> 00:40:22.380

Town of Amboy Planning Board: On this yes.

360

00:40:27.630 --> 00:40:29.190

Town of Amboy Planning Board: We were supposed to do.

361

00:40:30.300 --> 00:40:32.910

Town of Amboy Planning Board: Like a word or something for.

362

00:40:34.170 --> 00:40:35.190

Town of Amboy Planning Board: That celebration.

363

00:40:37.890 --> 00:40:40.110

Town of Amboy Planning Board: Tradition sexual harassent training.

364

00:40:41.370 --> 00:40:48.810

Town of Amboy Planning Board: So particular that you're continuing in our body, we have to do some sort of are they going to have an outline.

365

00:40:50.040 --> 00:41:00.480

Town of Amboy Planning Board: or somebody done teaching or I believe they offer that online yeah you probably want to get fitted supervisor and conflict so i'm female when she has bad.

366

00:41:01.020 --> 00:41:10.620

Town of Amboy Planning Board: about that because I don't know which were supposed to be looking at the Department of Labor and his videos and stuff for him, but it's also supposed to be.

367

00:41:11.940 --> 00:41:21.930

Town of Amboy Planning Board: There is a interactive portion that you're supposed to do, basically, like a communication I didn't know if our account has that setup you can watch just.

368

00:41:23.550 --> 00:41:28.260

Town of Amboy Planning Board: videos online participate in there and.

369

00:41:30.120 --> 00:41:33.000

Town of Amboy Planning Board: Hopefully, years ago, a whole bunch of us went to.

370

00:41:34.020 --> 00:41:35.460

Town of Amboy Planning Board: step for reference.

371

00:41:36.840 --> 00:41:40.890

Town of Amboy Planning Board: Now it's probably only good for X amount of time i'm sure Daniel.

372

00:41:43.590 --> 00:41:45.930

Town of Amboy Planning Board: expired, but they banned me get.

373

00:41:47.040 --> 00:42:03.570

Town of Amboy Planning Board: This sexual harassment, training and a whole bunch of us so yeah I mean, I just want to make sure yeah right doing my part of the bedtime to keep up with it, I did because other courses when I saw the balance and I don't want to.

374

00:42:06.270 --> 00:42:23.670

Town of Amboy Planning Board: Pay that for training, whatever it's considered well if it lightens through the first, you have to take when you're dealing with the kids I was gonna say i've got i've got to pay for my own work with me for my own purposes.

375

00:42:26.730 --> 00:42:29.310

Town of Amboy Planning Board: And one doesn't cover the other yeah.

376

00:42:30.840 --> 00:42:32.400

Town of Amboy Planning Board: i'm paying for three fourths of that.

377

00:42:34.170 --> 00:42:35.880

Town of Amboy Planning Board: Basically, does the same it's the same thing.

378

00:42:43.350 --> 00:42:47.130

Town of Amboy Planning Board: Well, the sexual harassment, sexual harassment training somewhere else and.

379

00:42:48.420 --> 00:42:58.050

Town of Amboy Planning Board: i'm going to get some time with accept them okay well most my most of the times that I work with people have gotten that kind of training and work and the hell certificate or to prove.

380

00:42:58.620 --> 00:43:06.990

Town of Amboy Planning Board: That they attended and participated that down into something that they are good for that year, so if I find one on line.

381

00:43:07.530 --> 00:43:18.600

Town of Amboy Planning Board: Three or state or well, I believe I believe these town, as a member of the New York state and municipal insurance for typical inches tall the nine year and I believe nightmare does sexual harassment training.

382

00:43:19.440 --> 00:43:27.150

Town of Amboy Planning Board: But the details of that and how that works it's tom's point on the interactive aspect.

383

00:43:28.170 --> 00:43:48.030

Town of Amboy Planning Board: Is it does, I think I will bring that up TIM the Supervisor to find out what the plans are in the town has any suggested the alternatives, they own, the only thing ever interested in you guys are going to take this take this information yeah that's it, you know every editing.

384

00:43:51.930 --> 00:43:55.140

Town of Amboy Planning Board: me and it actually comes out today as.

385

00:43:56.550 --> 00:44:07.110

Town of Amboy Planning Board: Well, by Islam, I know it well it's kind of tough when you volunteer to be provided for you by your employer now right yeah.

386

00:44:14.970 --> 00:44:15.450

Okay.

387

00:44:29.190 --> 00:44:29.880

Town of Amboy Planning Board: I think so.

388

00:44:31.470 --> 00:44:37.740

Town of Amboy Planning Board: Anyway, for some stuff with the church I don't ask her about that, but I will find out yeah so.

389

00:44:42.960 --> 00:44:45.480

Town of Amboy Planning Board: Let us know alright sounds good.

390

00:44:55.680 --> 00:44:56.040

Town of Amboy Planning Board: Thank you.

391

00:45:06.390 --> 00:45:07.140

All right.

392

00:45:13.080 --> 00:45:13.530

david marzolf: Right.

393

00:45:20.070 --> 00:45:20.610

Town of Amboy Planning Board: The bigger.

394

00:45:21.720 --> 00:45:23.040

check the box to air.
