Alix Kueger: What was that.

again have the zoom meeting Dave made a motion to adjourn the meeting  
meeting adjourned at 7:27pm.

22

00:02:42.000 --> 00:02:42.720

Timothy Kelley: Any additions.

23

00:02:43.440 --> 00:02:43.890

Timothy Kelley: to that.

24

00:02:45.030 --> 00:02:45.480

Myrna Stone: nope.

25

00:02:45.720 --> 00:02:50.370

Tom Vona: No i'll make a motion to accept the Minutes as read.

26

00:02:51.630 --> 00:02:52.350

Myrna Stone: Our second.

27

00:02:56.640 --> 00:03:00.270

Timothy Kelley: Next we'll go on to the agenda, and I might refer to.

28

00:03:04.260 --> 00:03:15.660

Timothy Kelley: refer you to the email that I sent and I had spoken to  
Kathy concerning it etc copy of it and I mentioned what we'd like to do  
is probably.

29

00:03:17.040 --> 00:03:30.840

Timothy Kelley: hit the ground running with this, I know we still have to  
deal with this covert situation, but I think the more we can meet like  
this, or in person, the better off we're going to be, we do have a few  
things we have to.

30

00:03:32.730 --> 00:03:36.240

Timothy Kelley: take into consideration, I think, at least in the next  
six months.

31

00:03:37.590 --> 00:03:41.550

Timothy Kelley: Probably the first being is the and I talked to her about  
the moratorium.

32

00:03:42.870 --> 00:03:43.920

Timothy Kelley: And deccan.

33

00:03:45.330 --> 00:03:48.810

Timothy Kelley: You guys didn't get have a golf course don't have a copy of it.

34

00:03:51.630 --> 00:03:52.530

Timothy Kelley: But anyway.

35

00:03:54.300 --> 00:03:58.200

Timothy Kelley: It was basically like matt Johnson sent me.

36

00:03:59.370 --> 00:04:00.000

This.

37

00:04:01.470 --> 00:04:04.470

Timothy Kelley: was taken basically from the town of Albion.

38

00:04:05.670 --> 00:04:22.020

Timothy Kelley: And I think it's a standard template what's going on in the surrounding towns, I think they're just passing it around and what I did is I took that verbatim and then I put it on word and I inserted ambulance Albion.

39

00:04:23.040 --> 00:04:30.870

Timothy Kelley: But after reading and looking at all over I thought I was a quick way to get this onto the town board, so we can set this up.

40

00:04:31.710 --> 00:04:46.470

Timothy Kelley: The only other change, I did make, whether because the covert situation still being a determining factor I thought it was a good idea to extend that to one year, instead of six months, so we can do come up with a comprehensive.

41

00:04:47.700 --> 00:04:55.110

Timothy Kelley: lot of submit to the town board and if anybody's read the town of substantial.

42

00:04:56.130 --> 00:05:01.710

Timothy Kelley: They have a pretty good one and, again, I think that was kind of a boilerplate situation to whether it came from.

43

00:05:03.270 --> 00:05:13.140

Timothy Kelley: Suffolk county Commission, or you get into more details and then you can modify that cheer on satisfaction rules and regulations, we have here in the town.

44

00:05:14.820 --> 00:05:15.300

Timothy Kelley: The.

45

00:05:16.860 --> 00:05:20.310

Timothy Kelley: The mark terrarium, of course, has to be in the form of a local law.

46

00:05:21.450 --> 00:05:26.520

Timothy Kelley: And i'll have that make sure that everybody gets a copy of that by the next.

47

00:05:27.690 --> 00:05:28.350

Timothy Kelley: board meeting.

48

00:05:29.460 --> 00:05:43.410

Timothy Kelley: And I believe that the town board meeting you're going to have another hearing, considering the changes in in both planning and zoning board more specifically to the zoning board, so we can get that under our belt get that.

49

00:05:44.520 --> 00:05:52.860

Timothy Kelley: Going another factor, we have to discuss at some point time Alex and Dave made mentioned they're staying on for particular.

50

00:05:54.030 --> 00:06:02.730

Timothy Kelley: Your future here, but will soon be leaving us, possibly by the middle of their first year or their next this year's term.

51

00:06:03.870 --> 00:06:13.170

Timothy Kelley: So i'd like you to also and the board members also maybe come up with some people that might be interested in being and the.

52

00:06:14.670 --> 00:06:22.500

Timothy Kelley: The cva or the planning board we've been doing pretty good here the last couple years are wrapped up the comprehensive plan.

53

00:06:23.550 --> 00:06:24.420

Timothy Kelley: We do have some.

54

00:06:25.680 --> 00:06:36.450

Timothy Kelley: Things in our backpack that that we want to make sure that we update our zoning law, we talked about the different zoning possibilities we could do separating that.

55

00:06:37.170 --> 00:06:46.740

Timothy Kelley: it's going to take quite a few meetings along the way, so the sooner we can get to it, the sooner we can, but a lot of these things to rest the hearing.

56

00:06:48.300 --> 00:06:52.440

Timothy Kelley: it's going to be the next time board meeting will be be that of the zoning.

57

00:06:53.550 --> 00:06:53.970

Timothy Kelley: changes.

58

00:06:56.370 --> 00:06:57.780

Alix Kueger: The next meeting will have.

59

00:07:00.180 --> 00:07:04.140

Alix Kueger: The hearing will be for for those other changes not.

60

00:07:05.700 --> 00:07:06.390

Alix Kueger: The Tina.

61

00:07:07.110 --> 00:07:12.000

Timothy Kelley: apprehensive his plan is all set, and I think Kathy get that.

62

00:07:14.070 --> 00:07:15.540

Timothy Kelley: matt actually get that all.

63

00:07:16.920 --> 00:07:20.430

Timothy Kelley: done for as far as the short form.

64

00:07:21.930 --> 00:07:24.000

Timothy Kelley: seeker, and also the.

65

00:07:25.800 --> 00:07:36.570

Timothy Kelley: 239 report which you have to report to the county for changes and comprehensive plan so I didn't get chance to ask her that today, but i'm assuming.

66

00:07:36.570 --> 00:07:38.280

Alix Kueger: They didn't have a hearing last meeting.

67

00:07:39.390 --> 00:07:40.050

Timothy Kelley: Yes, they did.

68

00:07:41.160 --> 00:07:51.960

Timothy Kelley: Okay, but they basically on a comprehensive plan had nothing to do with the zoning board changes or yeah Those are two separate instances, and I had to have two separate meetings in order to do it.

69

00:07:53.910 --> 00:07:57.030

Timothy Kelley: So i'm assuming they will tackle that at this next reading and then we.

70

00:07:58.170 --> 00:08:02.250

Timothy Kelley: One of the bullet points that I had was get the zoning.

71

00:08:03.480 --> 00:08:07.800

Timothy Kelley: Mark up and running learning, I know you talked about taking control that.

72

00:08:08.310 --> 00:08:12.960

Timothy Kelley: yep and we really appreciate that and we can work in.

73

00:08:14.250 --> 00:08:17.520

Timothy Kelley: Real close proximity, now that we have common Members on it.

74

00:08:18.210 --> 00:08:21.840

Timothy Kelley: Right at any time if anybody wants to.

75

00:08:23.010 --> 00:08:37.350

Timothy Kelley: Get out in these boards, you know, let us know because we're going to be Shay alternate possibly a couple of markets, so you know anybody I always say if you're going to complain be ready to be appointed to it.

76

00:08:38.700 --> 00:08:44.490

Timothy Kelley: But that is known as the case people you know we'd like to talk, but they don't like too much action well.

77

00:08:45.600 --> 00:08:47.340

Timothy Kelley: But it is what it is.

78

00:08:48.270 --> 00:08:55.860

Myrna Stone: So, right at the moment I have Tom and I have zoning Board of appeals Members, is there a third, I think we need three for that don't we.

79

00:08:56.250 --> 00:09:00.480

Timothy Kelley: yeah well that's going to change the five after the next next board meeting.

80

00:09:01.050 --> 00:09:04.200

Timothy Kelley: Okay, so myself.

81

00:09:06.210 --> 00:09:15.510

Timothy Kelley: Alex back down and didn't want to be involved in that, so I asked her swelters if he would consider that and he said he would Dave said.

82

00:09:16.200 --> 00:09:16.980

Myrna Stone: The time being.

83

00:09:17.580 --> 00:09:23.700

Timothy Kelley: So there will be five and then Jim Wilhelm will be the older net for all sports.

84

00:09:24.300 --> 00:09:24.690

Myrna Stone: Okay.

85

00:09:24.960 --> 00:09:29.610

Timothy Kelley: he's in Florida right now so we'll have that covered so at any time if we're going to be.

86

00:09:30.990 --> 00:09:34.800

Timothy Kelley: by people with should be able to have a quorum President that.

87

00:09:36.060 --> 00:09:42.750

Timothy Kelley: You guys don't get there, like you have been in might have anticipated or you get into a situation where you have to.

88

00:09:43.980 --> 00:09:50.160

Timothy Kelley: You know count yourself I love that particular ballgame we're going to be shy unless we have enough people to draw from.

89

00:09:51.120 --> 00:10:05.760

Timothy Kelley: Okay That was our original intent was to expand that in order to do that, so we don't get bogged down in the stuff that we've been doing in town or you said you take the secretary position for that too.

90

00:10:07.050 --> 00:10:07.350

Tom Vona: yeah.

91

00:10:09.870 --> 00:10:13.410

Timothy Kelley: Anybody have any questions concerning those particular issues.

92

00:10:14.010 --> 00:10:21.150

David Marzolf: so well, once they have that hearing at the next meeting, there will they be able to vote on it then or.

93

00:10:22.320 --> 00:10:24.540

David Marzolf: Will that be finalized at that meeting or.

94

00:10:25.320 --> 00:10:34.290

Timothy Kelley: I would assume that it would follow the same procedures they did with a comprehensive plan they voted on a comprehensive plan that particular evening.

95

00:10:35.220 --> 00:10:35.640

Okay.

96

00:10:37.590 --> 00:10:41.400

Timothy Kelley: Correct me Tom board members if i'm wrong, I think that's the way it goes.

97

00:10:44.220 --> 00:10:45.390

yeah close the.

98

00:10:46.830 --> 00:10:47.520

Word me.

99

00:10:51.510 --> 00:11:03.630

Timothy Kelley: yeah so that'll that'll be a down issue good, and then we can give them a list of the people that we would like to have appointed to the zoning board at that particular time where.

100

00:11:04.710 --> 00:11:07.560

Timothy Kelley: Besides learning time obviously you're still on it so.

101

00:11:08.550 --> 00:11:13.470

Myrna Stone: And then we probably ought to have a meeting to at least so we all know each other and know where we're going.

102

00:11:14.760 --> 00:11:17.460

Myrna Stone: After the after we get that in place yeah.

103

00:11:18.150 --> 00:11:18.930

Timothy Kelley: it'll be up to you.

104

00:11:19.890 --> 00:11:20.370

Okay.

105

00:11:22.170 --> 00:11:26.040

Alix Kueger: Will they be one excuse me, when will the moratorium.

106

00:11:27.120 --> 00:11:29.820

Alix Kueger: come up the meeting after or is it coming up.

107

00:11:30.450 --> 00:11:30.930

well.

108

00:11:32.040 --> 00:11:41.370

Timothy Kelley: What i'd like to do if we all agree in this template that I sent you we can give that to the town board at this next meeting also.

109

00:11:43.980 --> 00:11:45.420

Myrna Stone: I think it's okay yeah.

110

00:11:46.320 --> 00:11:55.020

Timothy Kelley: I think it's imperative to get this done as quickly as possible, although the coven of slowing things down they don't seem to be slowing down and.

111

00:11:55.860 --> 00:12:08.190

Timothy Kelley: In their approach to get more landowners or so on so forth So the sooner we act on this, the better off we'd be and just to make sure, especially to the board members.

112

00:12:09.690 --> 00:12:16.290

Timothy Kelley: It does not there's two definitions, a large scale and a small scale, which is basically.

113

00:12:17.370 --> 00:12:25.440

Timothy Kelley: A private situation so it's not going to rule out by any means any private solar situations, you might have like myrna Scott set up on.

114

00:12:26.310 --> 00:12:45.930

Timothy Kelley: On her property or anybody with them with something on the houses it set up a ground surface greater 4000 square feet so that's quite a bit it gives the individual a lot of wiggle room there to to work within those parameters, but it does kind of.

115

00:12:47.040 --> 00:12:56.580

Timothy Kelley: You know the large scale, of course, they won't be able to come in and do anything until we have set this in stone and that's why I wanted to give us a full year in order to.

116

00:12:57.870 --> 00:13:00.720

Timothy Kelley: Get that down pat and make sure that everything is correct there.

117

00:13:01.980 --> 00:13:04.530

Alix Kueger: I think dik dik had something to say i'm not sure.

118

00:13:05.670 --> 00:13:13.770

Amboy planning board: But you just addressed that that he mentioned previously, about extending the moratorium and I was just trying to verify that he's already said that.

119

00:13:14.880 --> 00:13:24.750

Timothy Kelley: yeah no in the original template that I got that i'll be in was going to set forth with it, and I was on their website today also that's coming up to.

120

00:13:25.410 --> 00:13:41.970

Timothy Kelley: open meeting to and hearing that particular situation I believe they feel they can get it done six months i'm because of the code

situation, I just want to get to six months and we still haven't got something in salad so this will give us that little extra.

121

00:13:43.140 --> 00:13:52.680

Timothy Kelley: Time that we need to make sure we should get it done by six months but, just in case we don't we've got that breathing time there, so it doesn't expire.

122

00:13:53.940 --> 00:13:55.080

Alix Kueger: I noticed on your.

123

00:13:56.190 --> 00:13:58.950

Amboy planning board: Members, yet we need five instead of three.

124

00:14:00.540 --> 00:14:04.050

Amboy planning board: Where we want to be we don't have five comes at time.

125

00:14:05.970 --> 00:14:07.140

Timothy Kelley: or wow.

126

00:14:08.100 --> 00:14:17.040

Myrna Stone: But the zoning Board of appeals because doesn't that have to go, I think, Dick That only goes in front of the zoning board if there's an issue, it goes in front of the planning board first correct on TIM.

127

00:14:17.850 --> 00:14:23.190

Timothy Kelley: yeah from from what what's been done in the past i've been on borders basically.

128

00:14:24.840 --> 00:14:25.890

Timothy Kelley: The last two.

129

00:14:27.450 --> 00:14:45.660

Timothy Kelley: supervisors have challenged the planning board with coming up with some of these things and doing all the footwork so the tumblr doesn't have to do it more hands on it, and then, absolutely you like selling itself has to be passed by the board.

130

00:14:45.750 --> 00:14:47.070

Timothy Kelley: there's nothing do with us.

131

00:14:47.070 --> 00:14:48.180

Kathy Wilkinson: Only we suggest.

132

00:14:48.690 --> 00:14:52.230

And do all the footwork for you people.

133

00:14:53.490 --> 00:15:01.890

Timothy Kelley: And that way we we've got enough time I know you can get you guys are busy, and this is kind of what we've been doing for the last couple of years here, so what.

134

00:15:06.030 --> 00:15:06.330

Timothy Kelley: yeah.

135

00:15:08.550 --> 00:15:14.940

Timothy Kelley: yeah it know it again with five members and either board if you get three Members, you got a quorum.

136

00:15:16.170 --> 00:15:33.480

Timothy Kelley: So we just want to ensure that if there's a situations where somebody has to bow out on something that we can put another member in there and keep going without saying huge ran out of Members only got three people, and two of them can't make an opinion so.

137

00:15:33.750 --> 00:15:39.090

Amboy planning board: you're a bit before anybody would like trying to sell them get me takers.

138

00:15:40.560 --> 00:15:41.760

Timothy Kelley: I didn't get that thick.

139

00:15:42.960 --> 00:15:51.300

Amboy planning board: I said then going from three to five and everything we put ads in being sent to be important, but we don't seem to get any takers waiting to join these boards.

140

00:15:51.900 --> 00:15:56.970

Timothy Kelley: Well, this is why we talked about initially and combining the planning and zoning board.

141

00:15:58.320 --> 00:16:06.750

Timothy Kelley: But I mean you can do that, to a certain extent, but by keeping them separate and having common members.

142

00:16:08.730 --> 00:16:11.490

Timothy Kelley: You know you've got people that are working on this stuff anyway.

143

00:16:11.970 --> 00:16:19.200

Timothy Kelley: And since the zoning board really doesn't work that often, but when they do meet it so very important that's why some of us from the.

144

00:16:20.160 --> 00:16:32.670

Timothy Kelley: Planning board volunteered to be and to look for those additional people, and right now between there's seven people involved that'd be rotating on these two particular planning boards.

145

00:16:34.290 --> 00:16:34.680

Kathy Wilkinson: we'll just.

146

00:16:35.070 --> 00:16:37.650

Amboy planning board: see where it lands yeah yeah.

147

00:16:38.490 --> 00:16:45.810

David Marzolf: I was just curious as far as the moratorium yeah i'm all in favor of extending it to a year, but I was just wondering, is there any.

148

00:16:46.830 --> 00:16:50.850

David Marzolf: Restrictions on how long you can extend this thing out.

149

00:16:53.220 --> 00:16:54.270

David Marzolf: You know, is there any limit.

150

00:16:54.900 --> 00:17:06.450

Timothy Kelley: I don't think you can do it with the original one, but you most certainly could develop another law concerning the moratorium which it is, it has to become a local law.

151

00:17:07.230 --> 00:17:22.230

Timothy Kelley: yeah so prior to if, for some reason we don't have it all down and you want to extend it fine board if the town board wants to extend the bits that's their prerogative and put up another local to supersede.

152

00:17:23.550 --> 00:17:25.200

Timothy Kelley: This one here, so I think that would be.

153

00:17:25.200 --> 00:17:26.250

Kathy Wilkinson: covered pretty much.

154

00:17:27.480 --> 00:17:35.130

Kathy Wilkinson: This is Kathy TIM that's correct we wouldn't have to have another once it expires, we would have to have a new law.

155

00:17:36.390 --> 00:17:36.570

Kathy Wilkinson: yeah.

156

00:17:39.210 --> 00:17:40.950

Timothy Kelley: Well i've been doing something right then okay.

157

00:17:43.380 --> 00:17:44.850

Kathy Wilkinson: let's not get crazy.

158

00:17:47.550 --> 00:17:50.790

Timothy Kelley: We have somebody missing here this evening, guarantee.

159

00:17:52.380 --> 00:17:52.740

Kathy Wilkinson: That.

160

00:18:02.940 --> 00:18:03.240

Timothy Kelley: well.

161

00:18:03.300 --> 00:18:04.110

Kathy Wilkinson: Moving on.

162

00:18:04.230 --> 00:18:04.920

Kathy Wilkinson: Moving on.

163

00:18:06.090 --> 00:18:06.480

Alix Kueger: um.

164

00:18:08.610 --> 00:18:13.410

Timothy Kelley: Anyway, cancer you you've seen that you did get a copy of that and I saw me run it over.

165

00:18:16.350 --> 00:18:21.090

Kathy Wilkinson: I skimmed it really quickly, I only just up working a little bit ago so yeah.

166

00:18:23.580 --> 00:18:28.050

Kathy Wilkinson: It looks good to me I don't see any glaring.

167

00:18:31.050 --> 00:18:31.980

Kathy Wilkinson: issues with it.

168

00:18:33.360 --> 00:18:40.920

Kathy Wilkinson: It addressed everything that we've been talking about so and it certainly gives us time and that's, the most important part.

169

00:18:41.310 --> 00:18:41.730

Timothy Kelley: well.

170

00:18:42.120 --> 00:18:47.760

Timothy Kelley: Thank you, if we presented to the to you at the next board meeting then you'd have another month to consider that.

171

00:18:48.810 --> 00:18:49.800

Timothy Kelley: and sell.

172

00:18:50.460 --> 00:18:51.240

Timothy Kelley: If you want.

173

00:18:51.300 --> 00:18:54.120

Timothy Kelley: Whatever you do once it goes in your hands, and you can do.

174

00:18:55.320 --> 00:18:59.640

Timothy Kelley: moving quickly, and I think a really advantageous thing to do with this particular time.

175

00:19:02.100 --> 00:19:05.670

Kathy Wilkinson: If it's a possibility to get it to all the board members.

176

00:19:06.780 --> 00:19:08.610

Kathy Wilkinson: let's today we've got what three weeks.

177

00:19:11.580 --> 00:19:15.480

Kathy Wilkinson: To review we could actually have a public hearing.

178

00:19:17.550 --> 00:19:21.750

Kathy Wilkinson: At the next meeting, we have to post the notice 10 days in advance.

179

00:19:24.420 --> 00:19:26.910

Kathy Wilkinson: Okay, that kind of cuts our time down but.

180

00:19:29.640 --> 00:19:30.990

Timothy Kelley: Are you all set with the.

181

00:19:31.620 --> 00:19:32.910

Kathy Wilkinson: open in the.

182

00:19:32.940 --> 00:19:34.200

Timothy Kelley: meeting about zoning.

183

00:19:38.820 --> 00:19:42.750

Kathy Wilkinson: I have a date mail everything for that so we're good okay.

184

00:19:45.480 --> 00:19:52.170

Myrna Stone: we've got Dick and Larry right here, they could get copies of it, and I know how I know how Bruce got stone could get copy.

185

00:19:54.300 --> 00:19:55.080

Kathy Wilkinson: Through you do.

186

00:19:55.440 --> 00:19:58.860

Timothy Kelley: I do yeah we can get it really quick well.

187

00:19:59.070 --> 00:20:00.240

Timothy Kelley: If you've got it then you can.

188

00:20:00.240 --> 00:20:01.410

Timothy Kelley: copy it off right there.

189

00:20:01.500 --> 00:20:03.540

Myrna Stone: Right yeah I can just give it to Bruce.

190

00:20:04.710 --> 00:20:09.600

Kathy Wilkinson: And I can email it to holly so that covers that okay.

191

00:20:11.970 --> 00:20:12.960

Kathy Wilkinson: So yo.

192

00:20:13.830 --> 00:20:15.870

Kathy Wilkinson: Unless there's any more questions concerning.

193

00:20:15.870 --> 00:20:16.200

That.

194

00:20:17.430 --> 00:20:19.800

Alix Kueger: Then I just had a comment on.

195

00:20:21.090 --> 00:20:23.040

Alix Kueger: Those definitions might not.

196

00:20:23.520 --> 00:20:27.000

Alix Kueger: I mean it's okay if they change, but they might not be engraved in stone.

197

00:20:27.330 --> 00:20:30.930

Alix Kueger: i've just noticed reading that paper from.

198

00:20:31.410 --> 00:20:32.880

Alix Kueger: The toggle Commission.

199

00:20:32.940 --> 00:20:33.810

Kathy Wilkinson: talked about.

200

00:20:35.580 --> 00:20:38.640

Alix Kueger: They had different definitions.

201

00:20:39.030 --> 00:20:41.700

Alix Kueger: Also, so I think once we get into this we'll.

202

00:20:41.730 --> 00:20:51.570

Alix Kueger: Find out, you know might have something by acreage or my house, something you know it might be a different slightly different way, it seems like there's.

203

00:20:53.040 --> 00:20:59.910

Alix Kueger: A few different ways of defining the big ones on the small ones on the Community ones on the utility ones on.

204

00:21:01.050 --> 00:21:01.980

Alix Kueger: All that so.

205

00:21:02.280 --> 00:21:07.590

Timothy Kelley: Right, the moratorium just addresses these your situations, but the.

206

00:21:07.590 --> 00:21:10.440

Timothy Kelley: Actual law that will go in with the.

207

00:21:10.440 --> 00:21:26.850

Timothy Kelley: zoning what would be a little bit more complex, I believe that's what the years for us to get that, all together, we don't have to get that complex at this particular situation just cover and have it on the books that we have this moratorium, I think that's what we need to do.

208

00:21:32.820 --> 00:21:36.360

Timothy Kelley: Is there any more discussion concerning this.

209

00:21:39.960 --> 00:21:40.410

Timothy Kelley: Anyone.

210

00:21:43.740 --> 00:21:49.920

Timothy Kelley: know what somebody like to make a motion that we send this on to the town board for their consideration.

211

00:21:50.910 --> 00:21:51.330

i'll never.

212

00:21:54.840 --> 00:21:55.950

Timothy Kelley: get a first and second.

213

00:21:58.680 --> 00:21:59.640

David Marzolf: i'll make a motion.

214

00:22:00.900 --> 00:22:02.190

To send this out to the board.

215

00:22:04.140 --> 00:22:05.220

Myrna Stone: i'll second that motion.

216

00:22:06.720 --> 00:22:07.710

Timothy Kelley: All those in favor.

217

00:22:08.400 --> 00:22:09.600

Tom Vona: yeah hi.

218

00:22:13.740 --> 00:22:17.340

Timothy Kelley: Alex Alec was that that okay.

219

00:22:19.140 --> 00:22:32.610

Timothy Kelley: So more we will get that i'll write that up and also get the canopies to the board as well, or will that will be taken care of, we have to have some type of proclamation or something.

220

00:22:34.410 --> 00:22:37.080

Timothy Kelley: To have the board at least take a look at it.

221

00:22:38.460 --> 00:22:40.950

Timothy Kelley: So we're all set on this situation, I think.

222

00:22:42.900 --> 00:22:47.610

Timothy Kelley: There isn't an awful lot to cover this evening, unless something.

223

00:22:49.110 --> 00:22:53.130

Timothy Kelley: is up for one of the recommendations that I put down i'd like to see.

224

00:22:54.750 --> 00:22:56.340

Timothy Kelley: If anybody's been on any.

225

00:22:57.540 --> 00:23:04.650

Timothy Kelley: Total of these webinars or zoom it's so easy to get on so easy to participate.

226

00:23:06.480 --> 00:23:19.080

Timothy Kelley: And you really have to go to fire just go to your computer and and get on these i've been taking in about two to three zoomer webinars every week you're setting some different times.

227

00:23:20.100 --> 00:23:33.840

Timothy Kelley: You know it's very informative I went to one yesterday as a matter of fact, I had nothing to do with what we're looking at, but they did discuss and now i'm beginning to see how these charging stations operate.

228

00:23:36.300 --> 00:23:41.190

Timothy Kelley: And i've been sending a lot of this stuff to all the board members if you're interested in any of it.

229

00:23:42.300 --> 00:23:46.320

Timothy Kelley: But just take into consideration these webinars and zoom meetings just.

230

00:23:46.320 --> 00:23:48.690

Timothy Kelley: To be aware of what's going on.

231

00:23:50.790 --> 00:23:51.240

Timothy Kelley: Kathy.

232

00:23:53.340 --> 00:23:53.760

Timothy Kelley: see your.

233

00:23:54.090 --> 00:23:54.930

Timothy Kelley: Light another.

234

00:23:55.560 --> 00:23:56.160

Kathy Wilkinson: know I just.

235

00:23:56.670 --> 00:23:59.430

Timothy Kelley: Your box came up, so I figured you wanted to say something.

236

00:24:00.690 --> 00:24:02.220

Kathy Wilkinson: Not me I don't talk a lot.

237

00:24:05.940 --> 00:24:06.540

Kathy Wilkinson: There were.

238

00:24:07.620 --> 00:24:08.070

Timothy Kelley: guys.

239

00:24:08.190 --> 00:24:08.940

Remember that.

240

00:24:10.320 --> 00:24:14.130

Alix Kueger: don't know the tequila Tegel tomorrow land.

241

00:24:14.130 --> 00:24:15.120

Alix Kueger: Trust and.

242

00:24:16.110 --> 00:24:16.800

Alix Kueger: New or.

243

00:24:18.510 --> 00:24:23.940

Alix Kueger: Whatever family and trust some they've that they've had i've been on couple that they have.

244

00:24:24.330 --> 00:24:27.030

Alix Kueger: Preservation of farmland basically um.

245

00:24:27.540 --> 00:24:32.070

Alix Kueger: But it deals with zoning things like that so that's an right on their site.

246

00:24:33.450 --> 00:24:42.360

Alix Kueger: If you go to the toggle tomorrow land trust, and I think toggle Commission probably has a link so they're doing webinars to that are interesting on.

247

00:24:43.950 --> 00:24:45.750

Alix Kueger: Basically up all our alley us.

248

00:24:46.980 --> 00:24:52.320

Timothy Kelley: I think some of the past ones and Paul correct me if i'm wrong, a lot of women and coming through the state.

249

00:24:53.520 --> 00:24:59.190

Timothy Kelley: And I know katie has been kind of hosting them and speakers come in.

250

00:24:59.460 --> 00:25:00.960

Kathy Wilkinson: And going through if anybody's.

251

00:25:03.660 --> 00:25:05.130

Timothy Kelley: participated in any of these.

252

00:25:06.690 --> 00:25:07.860

Timothy Kelley: And i'm also.

253

00:25:07.950 --> 00:25:23.340

Timothy Kelley: sending out when I get the automatic emails about tequila times, or the heck tidewater or headwaters I should say I tried to get that out to everybody, so they can walk up with a way to keep informed about what's going on.

254

00:25:24.030 --> 00:25:27.690

Alix Kueger: that's that's the latest one has that link to the.

255

00:25:28.710 --> 00:25:30.810

Alix Kueger: paper on solar and wind.

256

00:25:33.510 --> 00:25:37.320

Alix Kueger: idea zoning and whatever yeah I forgot the official name of.

257

00:25:37.320 --> 00:25:37.710

Kathy Wilkinson: It but.

258

00:25:39.990 --> 00:25:55.350

Timothy Kelley: Paul does the obviously the local government or conferences not going to take place this this year, you have other I know they've been stepping up on the webinars and our zoom meetings it's just going to be a continuing situation here through the spring.

259

00:25:56.550 --> 00:25:59.310

Amboy planning board: yeah we were waiting for that.

260

00:26:02.580 --> 00:26:04.020

Timothy Kelley: I think anything coming up in the.

261

00:26:05.790 --> 00:26:06.480

Timothy Kelley: near future.

262

00:26:08.430 --> 00:26:08.790  
Amboy planning board: Your.

263

00:26:12.720 --> 00:26:13.440  
Amboy planning board: work.

264

00:26:14.400 --> 00:26:17.070  
Timothy Kelley: How, how does the required four.

265

00:26:18.270 --> 00:26:18.870  
Timothy Kelley: hours.

266

00:26:20.400 --> 00:26:21.750  
Timothy Kelley: five hours, whatever it is.

267

00:26:25.020 --> 00:26:27.510  
Amboy planning board: expected to make that are habits doesn't work away.

268

00:26:28.890 --> 00:26:29.280  
Timothy Kelley: Okay.

269

00:26:30.660 --> 00:26:32.610  
Timothy Kelley: Well, there should there should be enough out there.

270

00:26:33.780 --> 00:26:40.020  
Timothy Kelley: Oh yeah anybody has anything to carry over you can also use your carryover hours to to go on.

271

00:26:41.220 --> 00:26:55.680  
Timothy Kelley: 2021 I know i've got enough probably till 22 you know that's a good way to do it, you know, even if you don't it isn't required this year it'll go over to next year, so if you want to carry it over my correct Kathy you still there.

272

00:26:56.910 --> 00:27:02.310  
Kathy Wilkinson: I am their shoes and you should get a certificate of completion.

273

00:27:03.720 --> 00:27:05.370  
That you can print out or.

274

00:27:06.810 --> 00:27:12.780

Kathy Wilkinson: Save to your email just make sure that you get a copy or I get a copy.

275

00:27:14.160 --> 00:27:15.750

Kathy Wilkinson: So that we have that in the record.

276

00:27:17.820 --> 00:27:23.430

Timothy Kelley: Now last board meeting you were mentioned that we've all got to take which one is this.

277

00:27:25.350 --> 00:27:29.160

Kathy Wilkinson: roster the harassment and discrimination, knowing.

278

00:27:29.490 --> 00:27:31.140

Timothy Kelley: they're going to be available online.

279

00:27:33.210 --> 00:27:43.860

Kathy Wilkinson: What i'm hoping i'm i'm waiting person information on it so that and it's got to be every person who work or volunteers in town.

280

00:27:44.970 --> 00:27:45.300

Kathy Wilkinson: So.

281

00:27:47.640 --> 00:27:48.330

Myrna Stone: i'll get the I.

282

00:27:49.320 --> 00:27:51.060

Myrna Stone: Get the I have a question on that.

283

00:27:51.870 --> 00:27:54.750

Myrna Stone: We also have to take that for the church if I turned in my.

284

00:27:54.930 --> 00:27:56.550

Myrna Stone: certificate of completion for.

285

00:27:56.550 --> 00:27:58.650

Myrna Stone: The Church would that qualify for the.

286

00:27:59.520 --> 00:27:59.940

town.

287

00:28:01.560 --> 00:28:06.720

Kathy Wilkinson: I will have to check with the insurance nightmare, but it should.

288

00:28:09.120 --> 00:28:09.330

Kathy Wilkinson: If.

289

00:28:11.730 --> 00:28:13.680

Kathy Wilkinson: You had to pay for it yeah.

290

00:28:13.800 --> 00:28:14.490

Kathy Wilkinson: We had to pay.

291

00:28:14.760 --> 00:28:20.880

Myrna Stone: Because i'm i'm the lead pastor I had to pay for my course because mine's gotta be a certified.

292

00:28:20.880 --> 00:28:21.330

course.

293

00:28:25.860 --> 00:28:26.340

Timothy Kelley: I know.

294

00:28:27.480 --> 00:28:28.200

Timothy Kelley: A lot of times.

295

00:28:28.230 --> 00:28:46.080

Timothy Kelley: They don't just barista Catholic Church has what they call bursa and that's dealing with the kids and you can't do anything with the kids at church unless you have that it's not harassment, but if you don't know the kids and as close as the knights of Columbus is tied to the.

296

00:28:46.080 --> 00:28:46.920

Kathy Wilkinson: Catholic Church.

297

00:28:47.400 --> 00:28:50.850

Timothy Kelley: Their requirements are different, so we have to take two different ones.

298

00:28:51.360 --> 00:28:51.750

Amboy planning board: I had.

299

00:28:59.580 --> 00:29:02.340

Kathy Wilkinson: What was the name of that I.

300

00:29:02.370 --> 00:29:07.590

Alix Kueger: There were two words their name of that webinar or not webinar but what was going to be required.

301

00:29:09.330 --> 00:29:11.250

Kathy Wilkinson: discrimination and harassment.

302

00:29:15.240 --> 00:29:27.900

Kathy Wilkinson: And the line moves constantly a year ago, if you worked in Hastings and took the course it did not apply to ambling that's moved to now, so that if you take it you're covered.

303

00:29:28.380 --> 00:29:36.960

Kathy Wilkinson: So Bruce right now is the only one, I know for sure who is already taken it and has you know his certificate of completion so.

304

00:29:40.650 --> 00:29:46.080

Myrna Stone: yeah see when I get my certificate of completion like i've got a couple more it's a seven to 10 hour.

305

00:29:46.080 --> 00:29:47.160

Kathy Wilkinson: course for the Church.

306

00:29:47.430 --> 00:29:48.300

Myrna Stone: When I get that.

307

00:29:48.690 --> 00:29:53.400

Myrna Stone: completely finished and get my certificate i'll forward it to you, so you can see if it's something that will work.

308

00:29:56.430 --> 00:30:05.520

Kathy Wilkinson: I would hope it would work is significantly longer than the one we're required to take a look Okay, I mean hugely different.

309

00:30:09.180 --> 00:30:12.270

Timothy Kelley: So the one we take is what two or three hours if that.

310

00:30:13.680 --> 00:30:16.020

Kathy Wilkinson: i've heard it's less than an hour well.

311

00:30:18.060 --> 00:30:21.600

Kathy Wilkinson: Now the one I took in parish was a few hours and.

312

00:30:23.070 --> 00:30:30.750

Kathy Wilkinson: The and I actually told them that the only thing I got out of that was how to commit sexual harassment.

313

00:30:33.600 --> 00:30:35.520

Amboy planning board: thoroughly that's what we got out of it.

314

00:30:36.210 --> 00:30:38.160

Kathy Wilkinson: yeah we all went together on that one I get.

315

00:30:38.370 --> 00:30:39.600

Myrna Stone: A whole bunch of us went to that.

316

00:30:40.680 --> 00:30:44.700

Kathy Wilkinson: We did man that's I got nothing out of that at all.

317

00:30:45.720 --> 00:30:48.540

Kathy Wilkinson: So i'm hoping it will be better than that one.

318

00:30:52.080 --> 00:30:52.890

Kathy Wilkinson: Education.

319

00:30:58.230 --> 00:30:58.710

Alix Kueger: I know.

320

00:31:04.170 --> 00:31:05.010

My question.

321

00:31:06.480 --> 00:31:06.870

Alix Kueger: About.

322

00:31:07.590 --> 00:31:07.950

About.

323

00:31:09.720 --> 00:31:10.860

Kathy Wilkinson: The oath of office.

324

00:31:12.570 --> 00:31:13.110

Kathy Wilkinson: i'm hearing.

325

00:31:13.140 --> 00:31:14.640

Alix Kueger: ECHO ECHO.

326

00:31:22.920 --> 00:31:24.810

Timothy Kelley: what's your question question.

327

00:31:25.500 --> 00:31:26.700

Alix Kueger: i'm hearing echoes when i'm.

328

00:31:26.700 --> 00:31:27.780

Kathy Wilkinson: Hearing ECHO when i'm.

329

00:31:29.130 --> 00:31:30.540

Kathy Wilkinson: Through through.

330

00:31:36.720 --> 00:31:38.550

Kathy Wilkinson: But anyway, my question my.

331

00:31:38.580 --> 00:31:39.180

Kathy Wilkinson: Question are.

332

00:31:39.360 --> 00:31:40.350

Alix Kueger: We supposed to do it.

333

00:31:46.590 --> 00:31:48.660

Timothy Kelley: You are you asking you, I think.

334

00:31:49.350 --> 00:31:49.740

Kathy Wilkinson: I think.

335

00:31:54.480 --> 00:31:56.070

Timothy Kelley: I believe the health of.

336

00:31:56.760 --> 00:31:57.150

Kathy Wilkinson: The other.

337

00:31:57.870 --> 00:31:59.010

Timothy Kelley: Correct me if i'm wrong.

338

00:31:59.010 --> 00:32:00.300

Kathy Wilkinson: Rich media haven't brought on it.

339

00:32:01.530 --> 00:32:02.940

Timothy Kelley: Take it once if you're in taking.

340

00:32:03.330 --> 00:32:05.250

Kathy Wilkinson: Your situation fiber situation.

341

00:32:05.760 --> 00:32:07.770

Timothy Kelley: Is that true Kathy Kathy.

342

00:32:08.940 --> 00:32:10.380

Kathy Wilkinson: Yes, as far as I know.

343

00:32:11.640 --> 00:32:14.100

Timothy Kelley: It isn't a yearly situation, the yearly situate.

344

00:32:15.030 --> 00:32:15.390

No.

345

00:32:16.470 --> 00:32:18.480

Kathy Wilkinson: it's for the term of your office.

346

00:32:21.420 --> 00:32:23.550
