00:05:02.970 --> 00:05:16.200

Paul Baxter: But we do need the time to do this, but we want to act quickly, are there any towns of heaven, thank you for coming on our part, just for that one the other night substantial had one years award after.

42

00:05:18.450 --> 00:05:31.950

47

00:05:54.030 --> 00:05:54.270

Paul Baxter: A.

48

00:05:56.610 --> 00:05:58.170

Paul Baxter: They were.

83

00:10:11.190 --> 00:10:14.520

Paul Baxter: Really more discretion on this order and when.

84

00:10:17.550 --> 00:10:26.550

Paul Baxter: vitally yeah.

93

00:11:18.900 --> 00:11:24.690

Paul Baxter: So in that way if another Member sick we're down to one.

94

00:11:25.890 --> 00:11:37.920

Paul Baxter: So he can have his own and it isn't fair to let yourself be able to get to do something okay so rather than let it go online.

95

97

00:11:59.820 --> 00:12:09.420

100

00:12:28.560 --> 00:12:44.280

Paul Baxter: out so we're going to have less people to view so we're just going to be, you know you're interested in something like this that's fine We need people that are interested in another situation, step up so.

101

00:12:45.570 --> 00:12:46.320

Town of Amboy: And concerning the planning board.

244

00:28:10.080 --> 00:28:10.470

Town of Amboy: we've been.

245

00:28:11.640 --> 00:28:13.740

Town of Amboy: Concentrating on what's going on.

246

00:28:14.820 --> 00:28:19.440

250

00:28:36.450 --> 00:28:39.240

Town of Amboy: And he may just have to recuse himself.

That.

272

00:33:05.880 --> 00:33:06.240
Town of Amboy: Our.

273

00:33:07.560 --> 00:33:08.130
Town of Amboy: population.

276

00:33:31.650 --> 00:33:32.280
Beverly: yeah but.

280

00:33:48.810 --> 00:33:50.970
Beverly: Okay um then.

281

00:33:51.390 --> 00:33:54.750
Beverly: This is our selection everything went smoothly.

282

00:33:57.300 --> 00:34:10.110

Beverly: Oh, I see Paul, but a different background anyway, I everything went smoothly I transferred everything to the county um I do have one more bank statement that I had to reconcile.

283

00:34:12.390 --> 00:34:15.270

Beverly: With the each track the.

284

00:34:17.070 --> 00:34:32.520

Beverly: credits to deposit the day somebody transfers online, however, the Bank does not receive the deposit until four or five sometimes 10 days later down the line.

285

00:34:33.030 --> 00:34:42.900

Beverly: So there were some at the end of the month that didn't get credit in the bank account so that's why I have to wait next month, so the credit card get.

286

00:34:45.720 --> 00:35:02.550

Beverly: credited as it did in the bank immediately as paper checks if I go bring a deposit and get those get the positive may be he checks don't delay so so it's been a month to figure what was going on, so well with.

287

00:35:04.020 --> 00:35:16.260

Beverly: With the month some a statement, then everything should come out it looks to be like about about \$3,000 that will be in feed, you know late to settle go to this town.

288

00:35:24.300 --> 00:35:32.670

Beverly: Okay, I can't really hear you it's really like staticky and ECHO a almost like a radio so.

Town of Amboy: Yes, I heard you I was working on this, this is not my usual setup and thank you, that working quite well usually do.

292

00:35:59.370 --> 00:36:01.770

Town of Amboy: I don't have a written report created an iPad.

293

00:36:03.390 --> 00:36:12.180

Town of Amboy: Basically, the total Commission offices are still operating at the 50% occupancy level and staff are working full time they're working from home when they're not working out of the offices.

294

00:36:13.050 --> 00:36:19.110

Town of Amboy: governor's executive order allowing remote meetings and public hearings, I mean, such as soon as it's been extended until May six.

Town of Amboy: toggle Commission is TIM noted met today and some Square.

296

00:36:25.350 --> 00:36:33.450

Town of Amboy: As you've probably heard New York state has passed legislation for adult use cannabis, which includes an option for a municipality to opt out for their town or village.

297

00:36:34.860 --> 00:36:36.570

Town of Amboy: I have copies of that.

298

00:36:37.710 --> 00:36:44.700

Town of Amboy: Legislation if you want to consider it for an boy, you have between now and the end of the year to do self.

299

00:36:47.430 --> 00:36:53.820

Town of Amboy: You have backed by the end of the year, if you want to opt out, you can, if you opt out, you can hop back in the future.

300

00:36:54.420 --> 00:37:04.710

Town of Amboy: Also, if you choose to opt out of the public in force a referendum to have you have that decision overturned so.

301

00:37:05.310 --> 00:37:10.830

Town of Amboy: You probably want to make sure that whatever you're doing is consistent with what the people of them, we want because they can request a.

302

00:37:11.280 --> 00:37:28.050

Town of Amboy: referendum and overturn your decision to banner demand boy, this is just a sale, by the way people still have the ability to consume, if they so choose this is just whether you are going to allow sales and talent or not so here's a copy of the model Milan.

303

00:37:31.980 --> 00:37:38.640

Town of Amboy: choose to, and then I have a couple of copies here of some of these.

304

00:37:39.720 --> 00:37:40.380

307

00:38:49.080 --> 00:38:51.600

Town of Amboy: I don't remember what date, it was john what day.

308

00:38:55.500 --> 00:38:55.950

309

00:38:57.030 --> 00:38:58.260

Town of Amboy: When he was two weeks.

310

00:39:01.380 --> 00:39:01.980

Town of Amboy: ago.

311

00:39:10.020 --> 00:39:10.350

Town of Amboy: Now.

312

00:39:12.450 --> 00:39:13.020

Town of Amboy: Thursday

313

00:39:14.460 --> 00:39:19.410

Town of Amboy: Thursday and Friday right yeah you can call me Friday morning.

314

00:39:20.670 --> 00:39:21.150

Town of Amboy: anymore.

315

00:39:22.230 --> 00:39:29.280

Town of Amboy: So Friday morning April 2 it was brought to our attention that we had.

316

00:39:31.260 --> 00:39:32.100

Town of Amboy: A robbery.

317

00:39:34.290 --> 00:39:34.860

Town of Amboy: town.

318

00:39:36.120 --> 00:39:40.680

Town of Amboy: hall bar where we store piece of equipment building our tree.

319

00:39:43.380 --> 00:39:46.140

Town of Amboy: tree truck had that was damaged.

320

00:39:47.280 --> 00:40:06.030

Town of Amboy: and trying to break open doors and get into the vehicle, they were successful in getting into the airport and multiple pieces of equipment or stolen, including chains off and then john was about the State police and the insurance company.

321

00:40:07.080 --> 00:40:08.790

Town of Amboy: Data we haven't but that.

322

00:40:12.180 --> 00:40:29.670

Town of Amboy: mature stopping me and give them a whole stadium and braces and they are processing jack now it's just a stepping stone now the damage on the truck I do, I have taken it to get a full.

323

00:40:30.870 --> 00:40:31.170

Town of Amboy: Day.

324

00:40:34.380 --> 00:40:44.880

Town of Amboy: So it's because it's going to have a couple new off doors and said, I have a new driver at locks taco couple Panama, and then they come around and lots of those.

325

00:40:49.350 --> 00:40:51.690

Town of Amboy: over again end of this week i'll have for for that.

326

00:40:52.950 --> 00:41:04.620

Town of Amboy: Because the insurance company just two different methods for data is supposed to damage the other little sort of that so we're trying to work with same insurance company to different people.

327

00:41:06.780 --> 00:41:09.990

Town of Amboy: And the state trooper i'm just awful.

328

00:41:13.380 --> 00:41:19.050

Town of Amboy: stuff yeah so the afternoon of the second.

329

00:41:20.310 --> 00:41:31.830

Town of Amboy: Most of the Board numbers available in my car discuss the job and try to come up with some prevented plans.

330

00:41:33.090 --> 00:41:37.200

Town of Amboy: That evening we purchase video surveillance.

331

00:41:38.220 --> 00:41:39.000

Town of Amboy: equipment.

332

00:41:40.170 --> 00:41:51.720

Town of Amboy: And that has been installed, there are signs of the same you are under surveillance it's very nice system we have a total.

333

00:41:53.610 --> 00:42:01.470

Town of Amboy: Of the significant number of cameras are going to stay that way around the property of the town barn.

334

00:42:03.240 --> 00:42:06.150

Town of Amboy: We also have camera.

Town of Amboy: installed in the pavilion.

336

00:42:11.580 --> 00:42:14.760

Town of Amboy: So the data is protected.

337

00:42:15.870 --> 00:42:18.930

Town of Amboy: Or if you're under surveillance.

338

00:42:20.550 --> 00:42:22.020

Town of Amboy: And we can.

339

00:42:23.610 --> 00:42:30.240

Town of Amboy: store all of the video and and pictures so.

340

00:42:31.320 --> 00:42:34.170

Town of Amboy: If it happens again you're going to be items.

342

00:42:44.460 --> 00:42:45.930

Town of Amboy: And it was not expensive.

343

00:42:46.980 --> 00:42:47.370

Town of Amboy: They have different right now, they have all.

452

00:53:36.510 --> 00:53:44.910

Town of Amboy: I don't know exactly how it works is you can pay like after this year, and you can pay half next year.

453

00:53:47.190 --> 00:53:50.520

Town of Amboy: And I think it's something that we should try to consider.

454

00:53:51.690 --> 00:53:56.790

Town of Amboy: So, most people have done this.

455

00:54:00.630 --> 00:54:01.080

Town of Amboy: Before.

456

00:54:02.160 --> 00:54:02.580
