00:19:07.680 --> 00:19:08.490

Town of Amboy: branch manager.

173

00:19:13.530 --> 00:19:13.950

For.

174

00:19:21.870 --> 00:19:22.440

Town of Amboy: tonight.

175

00:19:27.030 --> 00:19:27.420

Town of Amboy: I say.

176

00:19:30.960 --> 00:19:31.680

Town of Amboy: The Florida and.

177

00:19:39.750 --> 00:19:39.960

Town of Amboy: Then.

178

00:19:43.500 --> 00:19:50.040

Town of Amboy: Somebody else in this room called me from North Carolina a few years ago and said he was on a beach when.

179

00:19:53.820 --> 00:19:57.030

Town of Amboy: You come to the meeting i'm on the beach in North Carolina with a.

180

00:20:01.980 --> 00:20:02.400

Town of Amboy: Personal.

181

00:20:04.260 --> 00:20:05.040

184

00:20:20.790 --> 00:20:23.790

Town of Amboy: Somebody make a motion to a pointer to make their.

185

00:20:25.230 --> 00:20:25.890

Town of Amboy: own favorite.

186

00:20:27.360 --> 00:20:32.250

Town of Amboy: There we go, you know, and I just like when I first went for people didn't want.

187

00:20:38.310 --> 00:20:41.730

Town of Amboy: To get that and I think for.

188

00:20:43.440 --> 00:20:44.880

Town of Amboy: For years now.

189

00:20:50.730 --> 00:20:50.940

So.

190

00:20:56.490 --> 00:20:57.030

Town of Amboy: Would.

191

00:20:58.770 --> 00:21:02.910

Town of Amboy: You mind giving her one of the applications for the.

192

00:21:04.710 --> 00:21:05.940

Town of Amboy: Government coffers.

193

00:21:07.620 --> 00:21:08.190

Town of Amboy: yeah.

194

00:21:09.600 --> 00:21:13.680

Town of Amboy: She can get her training absolutely yeah all right, and last one.

195

00:21:15.330 --> 00:21:15.630

Town of Amboy: and

196

203

00:22:25.230 --> 00:22:27.420

Town of Amboy: I know I have been offered a little bit to.

204

00:22:28.560 --> 00:22:30.390

Town of Amboy: send you all the information.

205

00:22:35.370 --> 00:22:45.300

210

00:23:13.020 --> 00:23:14.100

Town of Amboy: If I remember right.

211  
00:23:15.210 --> 00:23:17.250  
Town of Amboy: Then i'll have that, for your point, do you.

212  
00:23:19.140 --> 00:23:19.590  
Town of Amboy: Like to.

213  
00:23:20.820 --> 00:23:21.300  
Town of Amboy: practice.

214  
00:23:25.290 --> 00:23:29.610  
Town of Amboy: and see CDA we took another application for variance.

215  
00:23:32.760 --> 00:23:33.120  
Time.

216  
00:23:34.140 --> 00:23:34.320  
To.

217  
00:23:35.610 --> 00:23:36.690  
Town of Amboy: Take two years now.

218  
00:23:38.580 --> 00:23:43.350  
Town of Amboy: I would like to thank the planning board, and specifically the CBI.

219  
00:23:44.580 --> 00:23:48.600  
Town of Amboy: Because of all the hard work, I was told that the.

220  
00:23:50.250 --> 00:23:52.650  
Town of Amboy: New variants and all the paperwork.

221  
00:23:54.150 --> 00:24:02.070  
Town of Amboy: And everybody working together it's make everything go so nice and smooth and easy marana murder very.

222  
00:24:10.200 --> 00:24:17.490  
Town of Amboy: Anyway, everybody to work together school leadership with the CPA Karen myrna yeah we're.

223  
00:24:19.170 --> 00:24:19.590  
Town of Amboy: At a.

224  
00:24:21.390 --> 00:24:22.020  
Town of Amboy: brief chat.

225  
00:24:23.820 --> 00:24:24.090  
that's.

226  
00:24:26.670 --> 00:24:28.530  
Town of Amboy: All they can do that, that in the Minutes.

227  
00:24:30.510 --> 00:24:30.810  
Town of Amboy: here.

228  
00:24:32.550 --> 00:24:34.590  
Town of Amboy: And that will fall off despres.

229  
00:24:40.080 --> 00:24:41.850  
Town of Amboy: Thank you and.

230  
00:24:43.020 --> 00:24:46.710  
Town of Amboy: Things are mostly quiet on the dock control friends, we have one.

231  
00:24:48.240 --> 00:24:49.890  
Town of Amboy: issue going on the clinic.

232  
00:24:52.890 --> 00:24:55.920  
Town of Amboy: And i'm not a problem that we have to discuss.

233  
00:24:58.140 --> 00:25:04.050  
Town of Amboy: That dropbox is for justice court carrying.

234  
00:25:05.400 --> 00:25:13.230  
Town of Amboy: There have been individuals over the years, and specifically with the stock complaint that believe that the field.

235  
00:25:14.730 --> 00:25:15.300  
Town of Amboy: It isn't.

236  
00:25:17.070 --> 00:25:19.260  
Town of Amboy: We need to come up with a solution.

237

00:25:21.210 --> 00:25:35.670

Town of Amboy: Either putting another box somewhere or putting it out notice in the paper that seriously and mail it all something, because that was getting all kinds of things in their.

238

00:25:37.680 --> 00:25:38.280

Town of Amboy: Court back.

239

00:25:40.080 --> 00:25:41.670

Town of Amboy: And it devastated, so the.

240

00:25:44.100 --> 00:25:46.410

Town of Amboy: Last time, why would we put it.

241

00:25:50.160 --> 00:25:51.390

Town of Amboy: Fine, with doing that I.

242

00:25:58.170 --> 00:25:59.700

Town of Amboy: can put it under whether.

243

00:26:02.130 --> 00:26:02.670

Town of Amboy: something's.

244

00:26:05.580 --> 00:26:09.000

Town of Amboy: Good, then you came up with the idea, thank you very much.

245

00:26:10.860 --> 00:26:16.500

Town of Amboy: Mr stone will be investigating putting into dropbox for talent business.

246

00:26:26.490 --> 00:26:27.600

Town of Amboy: seniority over.

247

00:26:42.750 --> 00:26:45.600

Town of Amboy: General dropbox for all of us.

248

00:26:46.980 --> 00:26:58.080

Town of Amboy: We probably should make note that if it's got a deadline for the assessor or the tax collector do not put it in dropbox.

249

00:27:12.870 --> 00:27:16.830

Town of Amboy: Okay, that was the only thing on yet, oh no it's not the Court.

250

00:27:19.470 --> 00:27:25.800

Town of Amboy: Council councils are in short supply, with in the county.

251

00:27:26.970 --> 00:27:30.840

Town of Amboy: Quite a few who never retired or moved.

252

00:27:34.950 --> 00:27:38.760

Town of Amboy: Our Council for forever 20 years move.

253

00:27:40.500 --> 00:27:40.860

Town of Amboy: On.

254

00:27:43.200 --> 00:27:45.630

Town of Amboy: We have a new one Mike.

255

00:27:47.520 --> 00:27:51.690

Town of Amboy: But it's a problem across the county so.

256

00:27:54.120 --> 00:28:02.250

Town of Amboy: The Constable route is hoping trying to start Constable the Academy.

257

00:28:03.390 --> 00:28:06.210

Town of Amboy: Where individuals would go and take the training.

258

00:28:07.740 --> 00:28:19.710

Town of Amboy: And then they would become accountable and they would work, specifically for the town that sponsors loan, but then they would be available on the calls.

259

00:28:20.730 --> 00:28:27.150

Town of Amboy: To go to any of any of the towns, cities village ports and access Council to them.

260

00:28:30.900 --> 00:28:31.440

Town of Amboy: there's.

261

00:28:33.060 --> 00:28:37.860

Town of Amboy: Two people that I think we should invest in, and some of them.

262

00:28:57.330 --> 00:29:02.910

Town of Amboy: Anyway, one of them is the cornerstone and that domino son is the other one.

263

00:29:04.020 --> 00:29:07.290

Town of Amboy: Both are qualified curtis curtis.

264

00:29:10.410 --> 00:29:18.750

Town of Amboy: And I would like to recommend that we give you get Amigos forward the voice to individuals.

265

00:29:22.320 --> 00:29:22.710

Town of Amboy: word.

266

00:29:25.980 --> 00:29:27.510

Town of Amboy: There wouldn't be a conflict.

267

00:29:29.250 --> 00:29:31.380

Town of Amboy: at all and her.

268

00:29:32.400 --> 00:29:35.430

Town of Amboy: According to refer to break the law.

269

00:29:38.160 --> 00:29:44.730

Town of Amboy: don't believe so, typically the conflicts in those cases has to do where one.

270

00:29:45.630 --> 00:29:59.670

Town of Amboy: office has power over appointment of another office or has to do with the functioning of the office and I don't think the a member of the planning board, who acted his court security would have any influence over the justices.

271

00:30:01.170 --> 00:30:07.020

Town of Amboy: decision on how they created the case i'm just wondering several pages of stuff.

272

00:30:08.220 --> 00:30:08.610

Town of Amboy: yeah.

273  
00:30:10.290 --> 00:30:19.140  
Town of Amboy: there's always I will recommend if you have any doubts check with your town return and the other part, would be that if there was something like that coming up.

274  
00:30:20.490 --> 00:30:22.170  
Town of Amboy: We have other pencils.

275  
00:30:23.970 --> 00:30:26.850  
Town of Amboy: She went to strike and so.

276  
00:30:28.410 --> 00:30:29.070  
Town of Amboy: Thinking about.

277  
00:30:31.770 --> 00:30:32.160  
So.

278  
00:30:34.350 --> 00:30:37.860  
Town of Amboy: it's going to be \$3,000 costs.

279  
00:30:39.150 --> 00:30:42.630  
Town of Amboy: You seven Academy for 300 per person.

280  
00:30:45.900 --> 00:30:46.350  
Town of Amboy: Because.

281  
00:30:47.760 --> 00:30:54.690  
Town of Amboy: it's 3000 1500 dollars per person, but it's because of.

282  
00:30:56.400 --> 00:31:11.580  
Town of Amboy: They have to be service it's almost like the police training their skulls if they have their very animated right now Palermo sponsoring to struggle is sponsoring one they needed.

283  
00:31:12.930 --> 00:31:14.700  
Town of Amboy: At least six.

284  
00:31:18.000 --> 00:31:22.980  
Town of Amboy: To even hold the Academy, which they don't so we can set one or two.

285

00:31:25.620 --> 00:31:27.900

Town of Amboy: But they're not going to move this academy again.

286

00:31:29.070 --> 00:31:30.480

Town of Amboy: anytime in the near future.

287

00:31:47.010 --> 00:31:47.460

Town of Amboy: For both.

288

00:31:51.120 --> 00:31:53.310

Town of Amboy: and on and I.

289

00:31:55.290 --> 00:31:55.530

Think.

290

00:31:56.670 --> 00:31:57.750

Town of Amboy: What now.

291

00:32:00.420 --> 00:32:00.960

Town of Amboy: So.

292

00:32:02.040 --> 00:32:07.980

Town of Amboy: To answer your question about work or is usually before murder would have to look.

293

00:32:09.060 --> 00:32:14.310

Town of Amboy: So that shouldn't be a big problem anytime they cannot go to.

294

00:32:15.570 --> 00:32:16.620

Town of Amboy: Get called the.

295

00:32:18.240 --> 00:32:18.900

Town of Amboy: Parish.

296

00:32:19.980 --> 00:32:23.310

Town of Amboy: They always refused for work of what is.

297

00:32:25.170 --> 00:32:31.140

Town of Amboy: Always review so call someone else on the books, the problem right now is that.

298  
00:32:34.110 --> 00:32:40.110  
Town of Amboy: Our full head Colbert couldn't be here and we couldn't find.

299  
00:32:42.750 --> 00:32:43.770  
It takes place.

300  
00:32:45.360 --> 00:32:49.830  
Town of Amboy: That may not first time she fell for it without a Council but.

301  
00:32:51.540 --> 00:32:54.180  
Town of Amboy: it's not have if we can get into.

302  
00:32:57.150 --> 00:33:02.820

Thank you.

333  
00:35:40.410 --> 00:35:41.670  
Town of Amboy: Mr baxter.

334  
00:35:44.340 --> 00:35:44.820  
Town of Amboy: Thank you.

335  
00:35:48.000 --> 00:36:04.920  
Town of Amboy: First, we continue to move forward with plans for an in person 2020 to talk to local government conference that they offer Tuesday April 19 that turning stone casino and not noted the best registration rate and fires registration by March 18 which is rapidly approaching.

336

00:36:06.450 --> 00:36:14.400

Town of Amboy: planning for the next seminar governor's Council of governments meeting is in progress so watch for need to email with details about that in the near future.

337

00:36:16.380 --> 00:36:26.610

Town of Amboy: The total Commission when they meet the Commissioners who come from all over the region, they also have the meetings all through the reason, in the course of the year.

338

00:36:26.970 --> 00:36:33.180

Town of Amboy: And they always try to have at least one and then Sligo county and their meeting and a secret county this year is scheduled for.

339

00:36:34.080 --> 00:36:40.920

Town of Amboy: Three weeks from tonight on Monday march 21 at 10am and the meeting location on that is confirmed as being at the.

340

00:36:41.490 --> 00:37:00.210

Town of Amboy: Cleveland village Hall, and I would expect the Supervisor will get an invitation to that meeting, we normally invite the the supervisors and mayors of the municipalities in the area, so that was in the morning in the morning at 10 o'clock yeah and it should also be available via zoom.

341

00:37:01.230 --> 00:37:12.990

Town of Amboy: And anybody else who's interested in attending is certainly more than welcome to attend we make an especial outreach to the supervisors mayor so you're all more than welcome to attend either in person, or virtually the.

342

00:37:14.820 --> 00:37:18.120

Town of Amboy: State archives of announced that they are now accepting applications for the.

343

00:37:19.890 --> 00:37:37.530

Town of Amboy: local governments record management improvement fund grant cycle more information about that is available on their website, the applications are due by March 21 deadline for establishing a new user account is the seventh and there is a webinar tomorrow about that.

344

00:37:39.240 --> 00:37:42.360

Town of Amboy: From 10 to 11am i'll be taking a look at that.

345

00:37:44.310 --> 00:37:51.240

Town of Amboy: As is the case with a lot of these things, this may be too soon for you to be able to act on it, but it might.

346

00:37:51.930 --> 00:37:59.730

Town of Amboy: be something good to think about for a future grants, because these grand cycles do keep on coming around so if they're not already for this month.

347

00:38:00.150 --> 00:38:06.210

Town of Amboy: You can start doing the work that you need to do now on figuring out, what do you qualify for what do you need.

348

00:38:07.050 --> 00:38:21.720

Town of Amboy: What are the first steps you know get your ducks in a row before the next opportunity rolls around So even if you can't make this fun that might be worth paying attention to and thinking about before the next time the opportunity opens up.

349

00:38:23.790 --> 00:38:33.300

Town of Amboy: The total Commission directors and Commission share recently had their annual meeting with chairs of the regional councils or governments you remember the saboteurs Council of governments.

350

00:38:33.780 --> 00:38:43.710

Town of Amboy: And in advance of that I sent the email out to all the senators supervisors and mayors for input on their questions needs and concerns and those were shared with the Commission.

351

00:38:44.760 --> 00:38:52.920

Town of Amboy: Commission director in the chair to shape their work program is best meet the needs of the region is defined by you our.

352

00:38:53.730 --> 00:39:04.920

Town of Amboy: towns and villages our program is heavily driven by what it is that you say your priorities are and so it's really helpful to us for you to let us know what those are and.

353

00:39:05.730 --> 00:39:16.650

Town of Amboy: That meaning also takes places it's kind of a nice thing we've done the last several years where there's discussion back and forth, not only do we listen to the conscious, on behalf of what's happening in the communities.

354

00:39:17.820 --> 00:39:26.610

Town of Amboy: But we share what we've seen happening in the next year, and what we're thinking is going to happen in the Arctic common so it's a good two way exchange of information, and I think it's a.

355

00:39:27.090 --> 00:39:32.580

Town of Amboy: really good opportunity so we're getting we always appreciate everybody's participation in that.

356

00:39:33.510 --> 00:39:40.860

Town of Amboy: And then something that's come up from time to time has been the taxable status of state wildlife management area lens in this area.

357

00:39:41.370 --> 00:39:49.410

Town of Amboy: Of that topic was raised at the mentioned impact chairs and the total Commission directories and chairs and that helps keep the central not small.

358

00:39:49.770 --> 00:40:02.100

Town of Amboy: monthly at some point we'll see action on that and I can tell you one thing if we don't continue to pay attention, nothing will happen the things that happen, are the things that people pay attention to so.

359

00:40:03.630 --> 00:40:09.900

Town of Amboy: that's important to us because at the Deli exactly happy not like other people.

360

00:40:10.470 --> 00:40:18.360

Town of Amboy: it's not a huge amount of model money based on one month, but it helps me more than what you have now so it's worth.

361

00:40:18.720 --> 00:40:35.490

Town of Amboy: worth paying attention to and out of industrial fairness, because this is something that's handled in different places in different ways by the state of you know, since other places do get this, it seems like you should be treated fairly and handled the same it's all the places to.

362

00:40:37.440 --> 00:40:38.160

Town of Amboy: start very.

363

00:40:39.300 --> 00:40:51.960

Town of Amboy: Young where all our executive staff and i've been bringing it up with all them and if there's an opportunity for you to take an

action that will help move that forward i'll let you know but probably the biggest thing right now is.

364

00:40:52.980 --> 00:40:56.430

Town of Amboy: reminding the Convention Center.

365

00:40:57.510 --> 00:40:57.690

Town of Amboy: and

366

00:40:59.160 --> 00:41:16.560

Town of Amboy: Ensure that this is something that continues to be well they're they're aware that they have been in touch with our our state legislators to talk about what steps of it is, and if there's any additional action that would be useful, on a local level, keep the keep the.

367

00:41:17.730 --> 00:41:19.380

Town of Amboy: Project moving forward so.

368

00:41:21.960 --> 00:41:30.180

Town of Amboy: And I have actually two other things, one thing that is not here is i've had this for a while now, this is the newest you know county fishing and hunting guide.

369

00:41:30.780 --> 00:41:42.990

Town of Amboy: You may remember a couple months ago I gave you a copy of the movie hell regional map that had been released electronically, but we didn't have money or the ability to print it for a while during the forward arrow and everything's being.

370

00:41:43.560 --> 00:41:49.920

Town of Amboy: shut down and sidelined and delayed because of accessing resources and so on, we found they did get that printed.

371

00:41:50.490 --> 00:41:59.940

Town of Amboy: To economies in the same boat, they have had this guy and ready for a while, but they were having trouble getting getting it printed, for various reasons, so.

372

00:42:00.630 --> 00:42:10.980

Town of Amboy: They got the resources and they got the printer lined up and I have a limited number of patents for you here now i'll get you some more one more are available, but that's a starter for him.

373

00:42:12.330 --> 00:42:16.860

Town of Amboy: and feel free to help your help yourselves and distributing to the public as you see that.

374

00:42:18.030 --> 00:42:22.980

Town of Amboy: The other thing I was going to ask it interesting you came up because I was noticing it popping up as i'm sitting here.

375

00:42:24.510 --> 00:42:34.890

Town of Amboy: what's the status of your Internet and Internet improvements, because i'm still getting signals from zoom on low bandwidth which has been the problem we've had in the past with the.

376

00:42:35.310 --> 00:42:41.790

Town of Amboy: strength of the Internet signal here we are switching to another provider good boy you haven't done anything that.

377

00:42:42.990 --> 00:42:43.860

Town of Amboy: We have not.

378

00:42:46.170 --> 00:42:46.470

We.

379

00:42:47.790 --> 00:42:49.200

Town of Amboy: know, we have not done it yet.

380

00:42:50.490 --> 00:42:53.700

Town of Amboy: It is in the process of.

381

00:42:54.930 --> 00:43:06.300

Town of Amboy: actually having them come back very good to ask because I hadn't heard about it recently and tell me it's coming we can't that we're also going to.

382

00:43:07.950 --> 00:43:14.400

Town of Amboy: put it in the calendar very good that's crazy we can't know this year you.

383

00:43:15.780 --> 00:43:16.950

Town of Amboy: know so.

384

00:43:19.890 --> 00:43:29.310

Town of Amboy: Yes, hopefully, it is a priority and i'm hoping the next month they'll actually be here and take care of it.

385

00:43:31.980 --> 00:43:34.290

Town of Amboy: camera shut down to cut down on the bandwidth.

386

00:43:36.510 --> 00:43:39.120

Town of Amboy: that's why there's a picture of you with the camera that we shut off.

387

00:43:40.470 --> 00:43:40.830

Town of Amboy: yeah.

388

00:43:44.670 --> 00:43:47.700

Town of Amboy: All right, well, I apologize for you're having to look.

389

00:43:51.120 --> 00:43:51.630

Town of Amboy: No Internet.

390

00:43:52.890 --> 00:43:53.910

Town of Amboy: No Internet to do that.

391

00:43:57.120 --> 00:43:59.280

Town of Amboy: There you go, we were perfectly happy looking at.

392

00:44:03.570 --> 00:44:04.020

Town of Amboy: Okay.

393

00:44:05.190 --> 00:44:05.760

Town of Amboy: So.

394

00:44:07.020 --> 00:44:11.040

Town of Amboy: That they can see that Gary Douglas code.

395

00:44:12.240 --> 00:44:13.080

Town of Amboy: expires.

396

00:44:14.250 --> 00:44:16.050

Town of Amboy: Well 3124.

397

00:44:17.100 --> 00:44:21.420

Town of Amboy: The current they can see which one fellow firefighter.

398

00:44:23.010 --> 00:44:28.710

Town of Amboy: would be expiring on 1231 23 so.

399

00:44:30.150 --> 00:44:32.130

Town of Amboy: bring in the real world.

400

00:44:33.750 --> 00:44:36.000

Town of Amboy: will be taking that term.

401

00:44:37.530 --> 00:44:39.960

Town of Amboy: Until 1231 2030.

402

00:44:41.400 --> 00:44:41.790

Town of Amboy: That.

403

00:44:44.010 --> 00:44:45.690

Town of Amboy: Like anything else, Paul.

404

00:44:47.850 --> 00:44:49.350

Town of Amboy: Well, just designate.

405

00:44:50.430 --> 00:44:57.030

Town of Amboy: designate the term is probably the most important thing that there are appointed to, and so you don't have overlapping.

406

00:44:58.170 --> 00:45:04.290

Town of Amboy: Virtual that they're staggered and then, as long as the person being appointed knows that they need to sign me up the old.

407

00:45:11.820 --> 00:45:21.000

Town of Amboy: One expires every 21 that expires 2324 2526.

408

00:45:22.230 --> 00:45:26.790

Town of Amboy: And 20 so they have they're all pretty much staggered y'all.

409

00:45:31.590 --> 00:45:32.340

Town of Amboy: was your offer.

410

00:45:35.010 --> 00:45:38.040  
Town of Amboy: yeah we we did that yeah that's only.

411  
00:45:39.870 --> 00:45:40.170  
one.

412  
00:45:41.190 --> 00:45:41.490  
Okay.

413  
00:45:44.340 --> 00:45:44.850  
Town of Amboy: Okay.

414  
00:45:45.900 --> 00:45:48.150  
Town of Amboy: Thank you, Mr back, Sir, you do.

415  
00:45:49.290 --> 00:45:54.210  
Town of Amboy: i've already got five or six reservations registration.

416  
00:45:56.190 --> 00:45:56.640  
Okay.

417  
00:45:59.100 --> 00:46:01.020  
Town of Amboy: As I said, zoning.

418  
00:46:03.270 --> 00:46:10.230  
Town of Amboy: Law it's still the 239 and details are still with me so just keep.

419  
00:46:11.310 --> 00:46:13.290  
Town of Amboy: Checking my email.

420  
00:46:15.720 --> 00:46:26.550  
Town of Amboy: it's about a foot and once we see that we've already don't ever so all we have to do with Marion she sends it to the counter to the state.

421  
00:46:34.140 --> 00:46:40.110  
Town of Amboy: And as soon as brand is that people make a range which you can go to the next meeting will be.

422  
00:46:42.630 --> 00:46:42.990  
Town of Amboy: Fine.

423

00:46:50.250 --> 00:46:54.000

Town of Amboy: On the same table, where the trains.

424

00:46:55.440 --> 00:46:56.040

Town of Amboy: Okay.

425

00:46:57.660 --> 00:47:02.880

Town of Amboy: The km 95 maps that we received from emergency management.

426

00:47:05.910 --> 00:47:07.980

Town of Amboy: We found out there was a need.

427

00:47:09.150 --> 00:47:10.290

Town of Amboy: School districts.

428

00:47:11.610 --> 00:47:12.900

Town of Amboy: We have over 300.

429

00:47:14.610 --> 00:47:22.050

Town of Amboy: Mary and Monday have been giving them out to people as they come in, including the covert testing.

430

00:47:26.010 --> 00:47:27.780

Town of Amboy: Most people didn't want the mass.

431

00:47:29.190 --> 00:47:30.480

Town of Amboy: For the most not.

432

00:47:32.610 --> 00:47:34.230

Town of Amboy: Not a lot of that.

433

00:47:35.250 --> 00:47:43.260

Town of Amboy: But I did find out that there were some school districts, he talked to that, as you know, she works school.

434

00:47:44.460 --> 00:47:57.120

Town of Amboy: She talked to the hw superintendent and they accepted our offer for the mass, so the bulk of our medical system has been given to the school district.

435

00:47:58.230 --> 00:48:03.930  
Town of Amboy: I figured it was a much better use aluminum sitting in our covering for years, nobody wants to know.

436  
00:48:06.000 --> 00:48:10.800  
Town of Amboy: Why don't you be took them, but, most people have no interest so.

437  
00:48:11.970 --> 00:48:13.440  
Town of Amboy: they've got a better place.

438  
00:48:14.520 --> 00:48:14.820  
Town of Amboy: For.

439  
00:48:18.930 --> 00:48:19.230  
Town of Amboy: Now.

440  
00:48:27.960 --> 00:48:31.560  
Town of Amboy: Okay, everyone will be getting a new fuel.

441  
00:48:33.660 --> 00:48:37.230  
Town of Amboy: mileage for policy.

442  
00:48:38.670 --> 00:48:41.280  
Town of Amboy: Only part we're changing one line.

443  
00:48:42.960 --> 00:48:55.470  
Town of Amboy: The policy that's been in place or seven figures actually directly addresses the Doc control officer we've done we're just going to take that out, everyone will say.

444  
00:48:56.640 --> 00:48:59.310  
Town of Amboy: Everyone will want in their buildings.

445  
00:49:02.880 --> 00:49:10.590  
Town of Amboy: mileage because it's been the 8.5 cents per mile so we may not catch up, from the beginning of the year.

446  
00:49:11.850 --> 00:49:12.240  
Town of Amboy: Okay.

447  
00:49:13.710 --> 00:49:14.790

Town of Amboy: Last but not least.

448

00:49:16.620 --> 00:49:17.310

Town of Amboy: We have a.

449

00:49:18.480 --> 00:49:26.340

Town of Amboy: significant problem with our phones in the floor system.

450

00:49:28.770 --> 00:49:33.720

Town of Amboy: it's been going on for a few years, it cannot be.

451

00:49:35.010 --> 00:49:36.330

Town of Amboy: Fixed easily.

452

00:49:41.730 --> 00:49:42.330

Town of Amboy: there's.

453

00:49:44.280 --> 00:49:46.020

Town of Amboy: We have to come up with solutions.

454

00:49:47.370 --> 00:49:50.190

Town of Amboy: That how we're going to fix the terms.

455

00:49:51.960 --> 00:49:58.050

Town of Amboy: I did talk to corey Turkey month and got it working.

456

00:49:59.340 --> 00:50:00.240

Town of Amboy: For a while.

457

00:50:01.500 --> 00:50:04.770

Town of Amboy: renee and I and Marian.

458

00:50:07.200 --> 00:50:12.330

Town of Amboy: Can stumble Constable renee was doing it twice a day trying to keep it going.

459

00:50:13.530 --> 00:50:17.820

Town of Amboy: And the problem with it it's water in the floors.

460

00:50:18.990 --> 00:50:34.410

Town of Amboy: It takes forever to get warm by the time it starts to meet up it stops working again and then after we started temperature is not going up high in to keep back in the building formula.

461

00:50:36.900 --> 00:50:41.040

Town of Amboy: To solve that problem we bought two electric meters.

462

00:50:42.450 --> 00:50:43.320

Town of Amboy: So we're using.

463

00:50:45.000 --> 00:50:50.910

Town of Amboy: That is not a long term solution, this problems and going on for five years, six years.

464

00:50:53.730 --> 00:50:54.930

Town of Amboy: i'm up here.

465

00:50:56.460 --> 00:51:00.570

Town of Amboy: Once twice four times, sometimes more every single women.

466

00:51:01.980 --> 00:51:02.100

Town of Amboy: Facebook.

467

00:51:04.320 --> 00:51:09.390

Town of Amboy: exhaust one of us as well bpi soft exhaust it's.

468

00:51:10.830 --> 00:51:22.020

Town of Amboy: ridiculous and cold and this can't keep going on, and so one of the solutions is to put in the furnace.

469

00:51:23.340 --> 00:51:25.080

Town of Amboy: A new force their furnace.

470

00:51:29.310 --> 00:51:37.830

Town of Amboy: I believe we can use somebody a lot of money for that I have some questions out to.

471

00:51:39.390 --> 00:51:49.410

Town of Amboy: The county and others on the unknown, we can do that by doing research on aarp a money for my isley trying to figure out if we can use of.

472

00:51:51.720 --> 00:51:56.580

Town of Amboy: materials and equipment which we would have to put out to this.

473

00:51:57.720 --> 00:52:01.620

Town of Amboy: And then manpower installation and all of those times.

474

00:52:06.240 --> 00:52:07.350

Town of Amboy: I just spread this.

475

00:52:09.480 --> 00:52:12.570

Town of Amboy: gives you the green light, it does sort of.

476

00:52:14.760 --> 00:52:16.650

Town of Amboy: I have a question about that yeah.

477

00:52:21.750 --> 00:52:24.840

Town of Amboy: it's going to be somewhere in the neighborhood of \$30,000.

478

00:52:29.220 --> 00:52:37.410

Town of Amboy: But that furnace will also include punishment, so the front of building on that eaten there in the back of the air.

479

00:52:38.850 --> 00:52:43.290

Town of Amboy: My rationale for using it as part of the infrastructure.

480

00:52:44.880 --> 00:52:50.580

Town of Amboy: Is this is one of our only heating and warming communications.

481

00:52:51.750 --> 00:52:55.620

Town of Amboy: If there's a disaster or an emergency and people have to come.

482

00:52:57.120 --> 00:53:02.610

Town of Amboy: So I think we should put been written out.

483

00:53:04.800 --> 00:53:06.120

Town of Amboy: and see what we get.

484

00:53:07.260 --> 00:53:12.510

Town of Amboy: Is the back, has building and I am strongly in favor of force there.

485

00:53:14.730 --> 00:53:18.180

Town of Amboy: I don't want them for you anymore it's too.

486

00:53:19.410 --> 00:53:21.570

Town of Amboy: Difficult with the water supply the weekend.

487

00:53:27.180 --> 00:53:31.260

Town of Amboy: Opinions by definition of it.

488

00:53:32.610 --> 00:53:33.450

Town of Amboy: is based on.

489

00:53:35.700 --> 00:53:36.360

Town of Amboy: Certain.

490

00:53:37.620 --> 00:53:40.350

Town of Amboy: Forster neo let's just give it.

491

00:53:42.420 --> 00:53:44.550

Town of Amboy: And that would allow us to have the air.

492

00:53:46.050 --> 00:53:46.590

Town of Amboy: force there.

493

00:53:49.140 --> 00:53:49.380

well.

494

00:53:50.670 --> 00:53:52.290

Town of Amboy: Well i'm just wondering.

495

00:53:54.750 --> 00:53:56.640

Town of Amboy: All right, are you.

496

00:53:59.520 --> 00:54:05.400

Town of Amboy: No, no yeah Well, yes, well yeah little something yeah.

497

00:54:06.570 --> 00:54:09.630

Town of Amboy: But it shuts off when you're using what they put in.

498

00:54:12.780 --> 00:54:23.730

Town of Amboy: You know, then you mean it's not it's not me to do what you're trying to do and i'm The man is made so you won't take a shower you get a while it's not about 4.4 so.

499

00:54:25.110 --> 00:54:37.800

Town of Amboy: that's problem it's costly shutting down because it's not be doable will try to do it's on the London me and water heater without some areas, you know talking about the massive oil wouldn't work.

500

00:54:40.380 --> 00:54:42.390

Town of Amboy: i'll show it's a very small system.

501

00:54:43.500 --> 00:54:46.410

Town of Amboy: There, and that, basically, he was being set up for.

502

00:55:19.740 --> 00:55:22.170

Town of Amboy: Now we know the justice.

503

00:55:24.660 --> 00:55:31.770

Town of Amboy: yeah no no Okay, just because this is a clearly, that is, that is not boiling.

504

00:55:34.140 --> 00:55:36.360

Town of Amboy: Water you know I this.

505

00:55:37.650 --> 00:55:37.860

Town of Amboy: Is.

506

00:55:39.000 --> 00:55:39.570

Town of Amboy: Why know.

507

00:55:41.760 --> 00:55:43.170

Town of Amboy: What happens first.

508

00:55:44.310 --> 00:55:54.360

Town of Amboy: You got hurt water solver and that's what happens those up as well, anyway, when you're running water, water water filtration system.

509

00:55:55.230 --> 00:56:06.570

Town of Amboy: is often the water ambient self contained it should have just a should be a regular boiler three years ago no i'm saying don't matter if you got regular borders so many years ago.

510

00:56:07.920 --> 00:56:26.160

Town of Amboy: We had one of the companies come out here and they're all are and fix it and get it working and they told me that what they were doing was making it a sealed system so Marion and I went and got.

511

00:56:27.720 --> 00:56:32.220

Town of Amboy: Data even tell you it's bottled water that they poured into the system.

512

00:56:33.600 --> 00:56:37.440

Town of Amboy: version boiled water boilers anyway so.

513

00:56:39.540 --> 00:56:40.950

Town of Amboy: that's not a close this.

514

00:56:42.030 --> 00:56:42.420

Town of Amboy: way.

515

00:56:43.740 --> 00:56:51.720

Town of Amboy: This pump was drawing from the water source no that's not back home, was the simulation for the door, so the other.

516

00:56:54.030 --> 00:57:03.090

Town of Amboy: day period, why are your classmates you get hurt water coming in and you're finished with your growing and as water back brace vows that.

517

00:57:05.280 --> 00:57:11.670

Town of Amboy: replaces water evaporates and you've got all I see you get all plastic doing currently in their.

518

00:57:13.200 --> 00:57:18.780

Town of Amboy: Mining Bush, though most of its if you get some of your tire or if you get.

519

00:57:20.100 --> 00:57:22.800

Town of Amboy: Patrick like something build up.

520

00:57:24.030 --> 00:57:30.450

Town of Amboy: A problem with my own on benefits would have no idea what's up for but we don't need it, we don't.

521

00:57:31.680 --> 00:57:34.530

Town of Amboy: know if we go whatever words there's this.

522

00:57:43.260 --> 00:57:43.530

Town of Amboy: Do.

523

00:57:45.180 --> 00:57:50.310

Town of Amboy: You have a say in the boiler Bruce lipton beam or not a boiler as.

524

00:57:53.460 --> 00:57:56.820

Town of Amboy: Soon, as I made her extra distance, but then.

525

00:57:58.860 --> 00:57:59.850

Town of Amboy: When I said that.

526

00:58:02.490 --> 00:58:03.720

Town of Amboy: See you me.

527

00:58:13.440 --> 00:58:14.460

Town of Amboy: Know Jackson from.

528

00:58:16.740 --> 00:58:18.600

Town of Amboy: awesome so.

529

00:58:20.100 --> 00:58:28.710

Town of Amboy: We need to come up with days in time, people can call to make an appointment to come here to see what.

530

00:58:32.730 --> 00:58:38.700

Town of Amboy: And when do we want this, but i've been told that it could be.

531

00:58:40.500 --> 00:58:41.370

Town of Amboy: Two weeks.

532

00:58:42.840 --> 00:58:45.180

Town of Amboy: or two months or.

533  
00:58:46.530 --> 00:58:50.280  
Town of Amboy: lead time to get parts and equipment and people of all.

534  
00:58:52.560 --> 00:58:55.830  
Town of Amboy: I want to split by September.

535  
00:58:56.970 --> 00:59:01.950  
Town of Amboy: I don't want to spend my vendors up here, trying to figure out how to fix it.

536  
00:59:03.480 --> 00:59:04.950  
Town of Amboy: We want to visit.

537  
00:59:07.710 --> 00:59:15.360  
Town of Amboy: Because we've got so we need to put it in there, no doubt that's our focus should reach out and I soon.

538  
00:59:16.650 --> 00:59:18.030  
Town of Amboy: As we can.

539  
00:59:20.280 --> 00:59:22.590  
Town of Amboy: reach out to other ones to use.

540  
00:59:23.670 --> 00:59:23.970  
Town of Amboy: This.

541  
00:59:25.980 --> 00:59:26.070  
Town of Amboy: email.

542  
00:59:27.300 --> 00:59:28.530  
yeah you know.

543  
00:59:30.600 --> 00:59:37.560  
Town of Amboy: Because on the bigger companies i'm not sure we can go outside of our respective Academy for.

544  
00:59:39.720 --> 00:59:41.100  
Town of Amboy: sharing with.

545  
00:59:42.360 --> 00:59:42.510  
Town of Amboy: us.

546

00:59:43.980 --> 00:59:45.420

Town of Amboy: add another condition.

547

00:59:52.380 --> 00:59:53.790

Town of Amboy: Conditional one sure.

548

00:59:58.560 --> 01:00:00.510

Town of Amboy: That you got in there now.

549

01:00:01.770 --> 01:00:02.130

Town of Amboy: it's not.

550

01:00:12.990 --> 01:00:26.880

Town of Amboy: it's not it was specifically purchase the building and it's nothing because that was my first question when I call Courtney, because this company and so.

551

01:00:31.530 --> 01:00:35.280

Town of Amboy: You would think stuff, the problem is, there is no duck or.

552

01:00:36.330 --> 01:00:38.880

Town of Amboy: In this evil, so I realized that's a big challenge.

553

01:00:40.050 --> 01:00:47.940

Town of Amboy: For our point soon not going to put it into Central now we're actually planning on putting them back from.

554

01:00:49.320 --> 01:00:50.010

An important.

555

01:00:51.150 --> 01:00:53.880

Town of Amboy: problem also there's a second part of that.

556

01:00:56.250 --> 01:00:59.610

Town of Amboy: propane that runs the furnace or air.

557

01:01:00.690 --> 01:01:01.380

Town of Amboy: comes in.

558

01:01:03.180 --> 01:01:04.560  
Town of Amboy: So we wouldn't have to run.

559  
01:01:06.270 --> 01:01:07.260  
Town of Amboy: Through the ceilings.

560  
01:01:08.850 --> 01:01:10.170  
Town of Amboy: To the first.

561  
01:01:11.400 --> 01:01:14.340  
Town of Amboy: And this room is not big enough to support some of insurance.

562  
01:01:18.150 --> 01:01:18.330  
and

563  
01:01:20.220 --> 01:01:28.740  
Town of Amboy: Anyone oh i'm trying to think of everything you know where excellence upstairs how about I want to learn, there were places.

564  
01:01:30.540 --> 01:01:31.440  
Town of Amboy: Again, both of.

565  
01:01:33.540 --> 01:01:34.560  
Town of Amboy: them to your role.

566  
01:01:37.800 --> 01:01:44.280  
Town of Amboy: yeah what i'm saying is you're running wants to run to any sense or everything.

567  
01:01:45.930 --> 01:01:52.110  
Town of Amboy: I don't think you'd ever want sample it would make sense to I would move apartments tournament battle.

568  
01:01:53.610 --> 01:02:08.640  
Town of Amboy: Okay, I would take this for yourself, so we will tell them that we want heating and air for the whole building, yes, one for steel it's actually going to be cheaper yeah yeah well because you run into one big concert performance.

569  
01:02:10.080 --> 01:02:18.540  
Town of Amboy: So if you run one everything went off one off same thermostat if it can be done, it can be on I would.

570  
01:02:19.980 --> 01:02:26.820  
Town of Amboy: I would have to find out if that would negate the corporate leverage to.

571  
01:02:28.710 --> 01:02:44.400  
Town of Amboy: put all of that, I don't can imagine it's been in more than a year, but all I don't I don't yeah bitch don't don't want to get into the assignments somewhere somebody being only your all.

572  
01:02:46.770 --> 01:02:47.910  
Town of Amboy: Your money back out of it.

573  
01:02:51.420 --> 01:02:56.730  
Town of Amboy: And copy give you an estimate might want to buy it, you know it take it off the National Park, he.

574  
01:02:58.530 --> 01:03:00.150  
Town of Amboy: will be paid for both pieces.

575  
01:03:02.580 --> 01:03:07.170  
Town of Amboy: SUP to replace the existing first printing this.

576  
01:03:11.820 --> 01:03:13.470  
Town of Amboy: nice little.

577  
01:03:15.330 --> 01:03:17.490  
Town of Amboy: compact area outside already covered in there.

578  
01:03:19.320 --> 01:03:22.530  
Town of Amboy: Well, that was my first thought I can't believe.

579  
01:03:25.200 --> 01:03:26.010  
Town of Amboy: That least way.

580  
01:03:27.210 --> 01:03:33.090  
Town of Amboy: For the bigger furnace and get paid one album replacing some star populate all built.

581  
01:03:34.380 --> 01:03:36.210  
Town of Amboy: middle is easier and maintenance department.

582  
01:03:38.460 --> 01:03:40.170  
Town of Amboy: we're going to put the results.

583  
01:03:42.570 --> 01:03:43.350  
Town of Amboy: Yes, father.

584  
01:03:44.880 --> 01:03:46.290
